
A BILL FOR AN ACT

RELATING TO EDUCATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The Children's Advocacy Centers of Illinois,
2 Illinois Coalition Against Sexual Assault, and Prevent Child
3 Abuse Illinois collaborated to create "Erin's law". Erin Merryn
4 was raped and molested for six and a half years by a neighbor
5 and a family member. Erin began a crusade her senior year of
6 high school in 2004 to end the silence and shame around sexual
7 abuse. Erin's Law has been passed in twenty-six states with
8 more than seventeen states introducing it. Erin's mission is to
9 shatter the silence and stigma around sexual abuse, and to
10 educate children and empower them to recognize and to report
11 abuse.

12 The legislature finds that schools fail to give young
13 students awareness and a voice if someone is violating them.
14 Unfortunately, without being educated most children will be
15 repeatedly abused for years because often the only message they
16 get comes from their abuser threatening them into silence.

1 The purpose of this Act is to educate public school
2 students on sexual abuse prevention through an age appropriate
3 curriculum.

4 SECTION 2. Chapter 302A, Hawaii Revised Statutes, is
5 amended by adding a new section to part II, subpart B, to be
6 appropriately designated and to read as follows:

7 "§302A- Sexual abuse prevention instructional program;
8 guidelines. (a) The broad guidelines of the sexual abuse
9 prevention instructional program shall be to:

- 10 (1) Educate children in grades pre-kindergarten through
11 twelve in public schools on sexual abuse prevention
12 through age appropriate curriculum through role plays,
13 discussions, activities, and books;
- 14 (2) Give children the tools to speak up and tell if anyone
15 has ever touched them inappropriately rather than keep
16 it a secret; and

19 report an incident immediately.

20 (b) All public schools shall establish a sexual abuse
21 prevention instructional program for students in grades

1 pre-kindergarten through twelve, consistent with subsection (a).

2 The content of instruction shall be at the discretion of the

4 (1) Techniques to teach children to recognize child sexual
5 abuse, equip them with skills to reduce their

6 vulnerability, and encourage them to report the abuse;

8 concepts learned in the program;

9 (3) Sessions conducted at least annually, building on
10 skills learned the previous year;

12 level;

13 (5) Involvement of students as active learning
14 participants, and include discussions, modeling, and
15 role playing;

16 (6) A capacity to be delivered by a wide range of
17 personnel and professionals, including teachers,
18 school counselors, outside agency prevention
19 educators, and the like; provided that the personnel
20 and professionals should have a thorough knowledge of

- 1 child sexual abuse, including how to respond
2 appropriately to sexual abuse disclosures;
3 (7) An evaluation component with measurable outcomes;
4 (8) Instruction that is culturally sensitive and adaptable
5 for use within varying school contexts, including age,
6 race, and special needs;
7 (9) An evidence-based curriculum, to the extent possible;
8 (10) A professional training component for administrators,
9 teachers, and other school personnel on talking to
10 students about child sexual abuse prevention, effects
11 of child sexual abuse on children, handling of sexual
12 abuse disclosures, and mandated reporting; and
13 (11) A component that encourages parental involvement
14 within the child sexual abuse prevention program.
15 This component should inform parents about child
16 sexual abuse topics, including characteristics of
17 offenders, grooming behaviors, and how to discuss this
18 topic with children."

19 SECTION 3. New statutory material is underscored.

20 SECTION 4. This Act shall take effect on July 1, 2060.
