### A BILL FOR AN ACT

RELATING TO FOSTER CHILDREN.

#### BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the Preventing Sex 2 Trafficking and Strengthening Families Act of 2014, Public Law 3 113-183, expands the opportunities for children in foster care 4 to participate equally in age or developmentally appropriate 5 extracurricular, social, and cultural activities as their 6 classmates and peers in accordance with the "reasonable and 7 prudent parent standard"; and requires children in foster care, 8 fourteen years of age and older, to be included in case planning 9 and be informed of their rights and options available to them. 10 The Preventing Sex Trafficking and Strengthening Families 11 Act, title 42 United States Code section §675(10)(A)(2014), 12 defines the "reasonable and prudent parent standard" as "the 13 standard characterized by careful and sensible parental 14 decisions that maintain the health, safety, and best interests 15 of a child while at the same time encouraging the emotional and 16 developmental growth of the child, that a caregiver shall use 17 when determining whether to allow a child in foster care under

1 the responsibility of the State to participate in 2 extracurricular, enrichment, and social activities." 3 The legislature finds that to encourage and allow resource 4 caregivers and child caring institutions to make reasonable 5 parenting decisions and to remove barriers to recruitment and 6 retention of high quality resource caregivers, adding qualified 7 immunity from liability for resource caregivers and child caring 8 institutions to section 346-17, Hawaii Revised Statutes, 9 protects and enhances the capacity of resource caregivers and 10 child caring institutions to encourage and support children to 11 participate in ordinary childhood activities as long as the 12 decision was made using the federal Reasonable and Prudent 13 Parent Standard as defined in title 42 United States Code 14 section §675(10)(A). 15 The Preventing Sex Trafficking and Strengthening Families 16 Act also requires children in foster care, fourteen years of age 17 and older, to be included in case planning and be informed of

18 their rights and options available to them. The federal act 19 lowered the age from sixteen to fourteen years old in 20 recognition that those children should be included in the 21 important planning processes that will strengthen their self-

sufficiency and better prepare them for successful transition
 from foster care and into adulthood.

Compared to their peers, young people who have experienced foster care are more likely to become homeless and unemployed when they age out of foster care, are less likely to complete high school or postsecondary education, and are more likely to have physical, developmental, and mental health challenges. Unlike their peers, most lose their support system when they reach age eighteen and are discharged from state custody.

10 The purpose of this Act is to bring the State into 11 compliance with the Preventing Sex Trafficking and Strengthening 12 Families Act of 2014, expand the opportunities for children in 13 foster care to participate equally in age or developmentally 14 appropriate extracurricular, social, and cultural activities as 15 their classmates and peers by providing qualified immunity from 16 liability for resource caregivers and child caring institutions, 17 and lower the age from sixteen to fourteen years of age of 18 children in foster care who are to be consulted in development 19 of their foster care plan.
