RELATING TO LABOR.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

SECTION 1. Section 386-31, Hawaii Revised Statutes, is
 amended by amending subsection (b) to read as follows:
 "(b) Temporary total disability. Where a work injury

causes total disability not determined to be permanent in 4 character, the employer, for the duration of the disability, but 5 6 not including the first three calendar days thereof, shall pay 7 the injured employee a weekly benefit at the rate of sixty-six and two-thirds per cent of the employee's average weekly wages, 8 subject to the limitations on weekly benefit rates prescribed in 9 10 subsection (a), or if the employee's average weekly wages are 11 less than the minimum weekly benefit rate prescribed in 12 subsection (a), at the rate of one hundred per cent of the 13 employee's average weekly wages.

If an employee is unable to complete a regular daily work
shift due to a work injury, the employee shall be deemed totally
disabled for work for that day.

HB2363 HD1 HMS 2016-2111

1 The employer shall pay temporary total disability benefits 2 promptly as they accrue to the person entitled thereto without 3 waiting for a decision from the director, unless this right is 4 controverted by the employer in the employer's initial report of 5 industrial injury. The first payment of benefits shall become 6 due and shall be paid no later than on the tenth day after the 7 employer has been notified of the occurrence of the total 8 disability, and thereafter the benefits due shall be paid weekly 9 except as otherwise authorized pursuant to section 386-53.

10 The payment of these benefits shall only be terminated upon 11 order of the director or if the employee is able to resume work. 12 When the employer is of the opinion that temporary total 13 disability benefits should be terminated because the injured 14 employee is able to resume work, the employer shall notify the 15 employee and the director in writing of an intent to terminate 16 the benefits at least two weeks prior to the date when the last 17 payment is to be made. The notice shall give the reason for 18 stopping payment and shall inform the employee that the employee 19 may make a written request to the director for a hearing if the 20 employee disagrees with the employer. Upon receipt of the 21 request from the employee, the director shall conduct a hearing

HB2363 HD1 HMS 2016-2111

as expeditiously as possible and render a prompt decision as
 specified in section 386-86. If the employee is unable to
 perform light work, if offered, temporary total disability
 benefits shall not be discontinued based solely on the inability
 to perform or continue to perform light work.

An employer or insurance carrier who fails to comply with
this section shall pay not more than [\$2,500] \$ into the
special compensation fund upon the order of the director, in
addition to other penalties prescribed in section 386-92.

10 (1)If the director determines, based upon a review of 11 medical records and reports and other relevant 12 documentary evidence, that an injured employee's 13 medical condition may be stabilized and the employee 14 is unable to return to the employee's regular job, the 15 director shall issue a preliminary decision regarding 16 the [claimant's] employee's entitlement and limitation 17 to benefits and rights under Hawaii's workers' 18 compensation laws. The preliminary decision shall be 19 sent to the affected employee and the employee's 20 designated representative and the employer and the 21 employer's designated representative and shall state

The director shall be 4 available to answer any questions during the twenty-5 day period from the injured employee and affected 6 employer. If neither party requests a hearing 7 challenging the director's finding the determination 8 shall be deemed accepted and binding upon the parties. 9 In any case where a hearing is held on the preliminary 10 findings, any person aggrieved by the director's 11 decision and order may appeal under section 386-87. 12

13A preliminary decision of the director shall14inform the injured employee and the employer of the15following responsibilities, benefits, and limitations16on vocational rehabilitation benefits that are17designed to facilitate the injured employee's early18return to suitable gainful employment:

19 (A) That the injured employee may invoke the
20 employee's rights under section 378-2, 378-32, or
21 386-142, or all of them, in the event of unlawful

1	discrimination or other unlawful employment
2	practice by the employer; and
3	(B) That after termination of temporary total
4	disability benefits, an injured employee who
5	resumes work may be entitled to permanent partial
6	disability benefits, which if awarded, shall be
7	paid regardless of the earnings or employment
8	status of the disabled employee at the time.
9	(2) If the rehabilitation unit determines that an injured
10	employee is not a feasible candidate for
11	rehabilitation and that the employee is unable to
12	resume the employee's regular job, it shall promptly
13	certify the same to the director. Soon thereafter,
14	the director shall conduct a hearing to determine
15	whether the injured employee remains temporarily
16	totally disabled, or whether the employee is
17	permanently partially disabled, or permanently totally
18	disabled."
