5 continue to include, faculty and student housing; additional
6 classroom, laboratory, and office space; research facilities,

12 repair projects as possible.

13 SECTION 2. The board of regents of the University of

2 \$100,000,000; provided that neither revenue bonds issued to
3 refund revenue bonds heretofore issued, to the extent that such
4 refunding revenue bonds do not exceed the principal amount of
5 the revenue bonds being refunded, nor revenue bonds of the board
6 outstanding at the effective date of this Act shall cause the
7 amount of the above authorization to be decreased. The revenue
8 bonds shall be issued pursuant to the provisions of part VI of
9 chapter 304A, Hawaii Revised Statutes. The principal and
10 interest on the revenue bonds, to the extent not paid from the

JUSTIFICATION SHEET

DEPARTMENT: University of Hawaii

TITLE: A BILL FOR AN ACT RELATING TO THE UNIVERSITY OF HAWAII.

PURPOSE: Authorizes the University to issue \$100,000,000 in revenue bonds, and allow for the expending of interest earned from these bonds, for the purpose of financing the University's qualifying priority capital facility construction, renovation, and repair projects.

MEANS: Establish authorization in session laws.

JUSTIFICATION: An increase in the University's authority to issue revenue bonds is necessary to enable the University to continue addressing its capital facility needs, including new project construction and the major repair and maintenance backlog.

Impact on the public: The enactment of the bill is expected to have minimal financial impact to the public since the University does not anticipate committing or dedicating any general tax receipts to the payment of the University's revenue bonds. It is not currently contemplated that "non-university" revenues would be requested to support the repayment of the University's revenue bonds. University revenues are moneys generated through fees and charges imposed for the goods and services provided by the University. The University's revenue bonds will be payable only from University revenues as defined in chapter 304A, Hawaii Revised Statutes.

Impact on the department and other agencies: The enactment of the bill will provide the University with the ability to obtain additional funding to help address its

capital facility needs, including new project construction and the major repair and maintenance backlog. The Act will require a continued budgetary diligence by the University. Other agencies of the State should not be adversely affected by the enactment.

GENERAL FUND: None.

OTHER FUNDS: University revenue bonds. There is no present expectation of requesting other moneys.
