A BILL FOR AN ACT

RELATING TO VEHICULAR LOLLYGAGGING.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

- 1 SECTION 1. The legislature finds that vehicular
- 2 lollygagging, or the problem of slow drivers in the far-left
- 3 lane of roadways, creates dangerous situations, starts traffic
- 4 jams, incites road rage, and persists despite state law
- 5 requiring drivers traveling slower than the normal speed of
- 6 traffic to use the right-hand lane.
- 7 Section 291C-41(b), Hawaii Revised Statutes, commonly
- 8 referred to as the keep-right driving law, generally requires
- 9 drivers to use the right-hand lane if they are going slower than
- 10 the normal speed of traffic. Drivers in the left lane who do
- 11 not yield to faster-moving traffic may create dangerous
- 12 situations and exacerbate traffic congestion by forcing faster-
- 13 moving vehicles to pass them from the right.
- 14 Florida and Georgia have recently enacted laws to address
- 15 slow drivers who linger in the left-hand lane and impede
- 16 traffic. A recent online report showed that police in several

H.B. NO. 2746 H.D. 1

- 1 states such as Washington, Texas, and Ohio issue citations to
- 2 slow drivers in the left-hand lane.
- 3 Slow drivers in the left-hand lane, who force drivers going
- 4 the normal speed to pass from the right, may cause accidents.
- 5 Passing on the right is dangerous because it is often unexpected
- 6 for other drivers, vehicles approaching from the right may be
- 7 less visible to a driver, and it forces accelerating vehicles
- 8 into slower-moving traffic. In addition, a study commissioned
- 9 by Expedia revealed that slow drivers in the left-hand lane are
- 10 the third-ranked reason, behind texting while driving and
- 11 tailgating, for road rage and the aggressive driving behaviors
- 12 that often result from it. Finally, the legislature finds that
- 13 traffic jams may result from a small number of people driving
- 14 slowly in the left-hand lane with the ensuing ripple effect
- 15 clogging the roadways and creating crowded driving conditions.
- 16 The purpose of this Act is to require drivers in the
- 17 furthermost left lane of a roadway with two lanes allowing
- 18 movement of traffic in the same direction to safely move over if
- **19** they:
- 20 (1) Will imminently be overtaken from the rear by more
- 21 than one vehicle traveling at a higher rate of speed;

H.B. NO. 2746

the normal speed of traffic at the time and place and under conditions then existing shall be driven in the right-hand then available for traffic, or as close as practicable to the right-hand curb or edge of the roadway, except when overtak and passing another vehicle proceeding in the same direction when preparing for a left turn at an intersection or into a private road or driveway. Upon roadways having two lanes allowing movement in the same direction, any vehicle in the furthermost left lane shall safely move to the adjacent lane if: (1) The driver knows or reasonably should know that the vehicle will imminently be overtaken from the reasonable.		(2)	Are proceeding at less than the normal speed of
vehicles following immediately behind. SECTION 2. Section 291C-41, Hawaii Revised Statutes, and amended by amending subsection (b) to read as follows: "(b) Upon all roadways any vehicle proceeding at less the normal speed of traffic at the time and place and under conditions then existing shall be driven in the right-hand then available for traffic, or as close as practicable to the right-hand curb or edge of the roadway, except when overtak and passing another vehicle proceeding in the same direction when preparing for a left turn at an intersection or into a private road or driveway. Upon roadways having two lanes allowing movement in the same direction, any vehicle in the furthermost left lane shafely move to the adjacent lane if: (1) The driver knows or reasonably should know that the vehicle will imminently be overtaken from the reasonably should know that the same contains the same direction or reasonably should know that the same direction imminently be overtaken from the reasonably should know that the same direction imminently be overtaken from the reasonably should know that the same direction imminently be overtaken from the reasonably should know that the same direction imminently be overtaken from the reasonably should know that the same direction imminently be overtaken from the reasonably should know that the same direction imminently be overtaken from the reasonable should know that the same direction imminently be overtaken from the reasonable should know that the same direction imminently be overtaken from the reasonable should know that the same direction imminently be overtaken from the reasonable should know that the same direction imminently be overtaken from the reasonable should know that the same direction imminently be overtaken from the reasonable should know that the same direction imminently be overtaken from the reasonable should know that the same direction imminently be overtaken from the reasonable should know that the same direction imminently be overtaken from the same dir			traffic; and
amended by amending subsection (b) to read as follows: "(b) Upon all roadways any vehicle proceeding at less the normal speed of traffic at the time and place and under conditions then existing shall be driven in the right-hand then available for traffic, or as close as practicable to t right-hand curb or edge of the roadway, except when overtak and passing another vehicle proceeding in the same directio when preparing for a left turn at an intersection or into a private road or driveway. Upon roadways having two lanes allowing movement in th same direction, any vehicle in the furthermost left lane sh safely move to the adjacent lane if: (1) The driver knows or reasonably should know that to vehicle will imminently be overtaken from the rea	}	(3)	Are impeding traffic with a line of three or more
"(b) Upon all roadways any vehicle proceeding at less the normal speed of traffic at the time and place and under conditions then existing shall be driven in the right-hand then available for traffic, or as close as practicable to t right-hand curb or edge of the roadway, except when overtak and passing another vehicle proceeding in the same direction when preparing for a left turn at an intersection or into a private road or driveway. Upon roadways having two lanes allowing movement in th same direction, any vehicle in the furthermost left lane sh safely move to the adjacent lane if: (1) The driver knows or reasonably should know that to vehicle will imminently be overtaken from the reasonably	ļ		vehicles following immediately behind.
the normal speed of traffic at the time and place and under conditions then existing shall be driven in the right-hand then available for traffic, or as close as practicable to tright-hand curb or edge of the roadway, except when overtak and passing another vehicle proceeding in the same direction when preparing for a left turn at an intersection or into a private road or driveway. Upon roadways having two lanes allowing movement in the same direction, any vehicle in the furthermost left lane shall safely move to the adjacent lane if: (1) The driver knows or reasonably should know that the vehicle will imminently be overtaken from the reasonably should whom the reasonable will imminently be overtaken from the reasonable.	5	SECTI	ON 2. Section 291C-41, Hawaii Revised Statutes, is
the normal speed of traffic at the time and place and under conditions then existing shall be driven in the right-hand then available for traffic, or as close as practicable to the right-hand curb or edge of the roadway, except when overtak and passing another vehicle proceeding in the same direction when preparing for a left turn at an intersection or into a private road or driveway. Upon roadways having two lanes allowing movement in the same direction, any vehicle in the furthermost left lane shall safely move to the adjacent lane if: (1) The driver knows or reasonably should know that the vehicle will imminently be overtaken from the reasonable.	5	amended by	amending subsection (b) to read as follows:
then available for traffic, or as close as practicable to the right-hand curb or edge of the roadway, except when overtake and passing another vehicle proceeding in the same direction when preparing for a left turn at an intersection or into a private road or driveway. 15	matured,	penalties that were incurred, and proceedings that were	
16	begun bei	fore its effective date.	
17	SEC	FION 5. New statutory material is underscored.	
18	SEC	TION 6. This Act shall take effect on July 1, 2050.	

Report Title:

Vehicular Lollygagging; Traffic Safety; Minimum Speed

Description:

Requires drivers in the left lane of a roadway with two lanes allowing movement of traffic in the same direction to safely move to the adjacent lane if the driver's vehicle is being overtaken from the rear by multiple vehicles traveling at a higher rate of speed; the driver is proceeding at less than the normal speed of traffic; and the driver has three or more vehicles following immediately behind.
