REQUESTING THE DEPARTMENT OF BUDGET AND FINANCE TO CONVENE A
WORK AND SAVE WORKING GROUP TO INVESTIGATE THE FEASIBILITY
AND IMPACT OF ESTABLISHING A RETIREMENT SAVINGS TRUST FUND
FOR PRIVATE-SECTOR EMPLOYEES IN THE STATE.

1 WHEREAS, there is a looming retirement security crisis, as
2 many individuals without access to an employer-sponsored
3 retirement plan are at significant risk of not having enough
4 retirement income to meet basic expenses upon retirement; and
5

6 WHEREAS, individuals need a lifelong savings system that
7 will provide them with the opportunity to build their assets and
8 attain future financial stability; and
9

10 WHEREAS, providing private-sector employees with access to
11 employer-sponsored retirement plans provides reliable retirement
12 income to supplement social security and helps workers
13 accumulate the savings they need for a secure retirement; and
14

15 WHEREAS, approximately fifty percent of Hawaii's private-
16 sector employees work for an employer who does not offer a
17 retirement plan; and
18

19 WHEREAS, the lack of opportunity to participate in an
20 employer-provided retirement plan spans all levels of education
21 and earnings; and
22

23 WHEREAS, employees of Hawaii's businesses with fewer than
24 one hundred employees are much less likely to have access to a
25 retirement plan than employees of larger businesses; and
26

27 WHEREAS, minorities account for about eighty-four percent
28 of the approximately 216,000 private sector employees in Hawaii
29 without a workplace retirement plan; and
30

31 WHEREAS, employees who are offered the opportunity to save
32 through the employee's place of employment are significantly
33 more likely to participate and make steady contributions to
34 build retirement savings; and

H.R. NO. 20
