11 SECTION 2. (a) Not later than September 1, 2016, the
12 department of land and natural resources shall establish a
13 temporary west Maui ocean recreation management area advisory
14 committee that shall advise the department of land and natural
15 resources on issues related to the uses and maintenance of state
16 waters within the west Maui ocean recreation management area,

1 particularly within the waters adjacent to Kaanapali on the
2 island of Maui.

3 (b) The temporary advisory committee shall consist of five
4 members of the west Maui community appointed by the chairperson

12 No member shall be made subject to chapter 84, Hawaii Revised
13 Statutes, solely because of that member's participation as a
14 member of the temporary advisory committee. The temporary
15 advisory committee created by this section shall be terminated
16 on June 30, 2019.

17 SECTION 3. The department of land and natural resources
18 shall submit an annual report to the legislature, no later than
