A BILL FOR AN ACT

RELATING TO THE LAND USE COMMISSION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Section 205-4, Hawaii Revised Statutes, is
2 amended to read as follows:

3 "**§205-4 Amendments to district boundaries involving land**
4 **areas greater than fifteen acres.** (a) Any department or agency
5 of the State, any department or agency of the county in which
6 the land is situated, or any person with a property interest in
7 the land sought to be reclassified, may petition the land use
8 commission for a change in the boundary of a district. This
9 section applies to all petitions for changes in district
10 boundaries of lands within conservation districts, lands
11 designated or sought to be designated as important agricultural
12 lands, and lands greater than fifteen acres in the agricultural,
13 rural, and urban districts, except as provided in section
14 201H-38. The land use commission shall adopt rules pursuant to
15 chapter 91 to implement section 201H-38.

16 (b) Upon proper filing of a petition pursuant to
17 subsection (a) the commission shall, within not less than sixty

1 and not more than one hundred and eighty days, conduct a hearing
2 on the appropriate island in accordance with the provisions of
3 sections 91-9, 91-10, 91-11, 91-12, and 91-13, as applicable.

4 (c) Any other provision of law to the contrary
5 notwithstanding, notice of the hearing together with a copy of
6 the petition shall be served on the county planning commission
7 and the county planning department of the county in which the
8 land is located and all persons with a property interest in the
9 land as recorded in the county's real property tax records. In
10 addition, notice of the hearing shall be mailed to all persons
11 who have made a timely written request for advance notice of
12 boundary amendment proceedings, and public notice shall be given
13 at least once in the county in which the land sought to be
14 redistricted is situated as well as once statewide at least
15 thirty days in advance of the hearing. The notice shall comply
16 with section 91-9, shall indicate the time and place that maps
17 showing the proposed district boundary may be inspected, and
18 further shall inform all interested persons of their rights
19 under subsection (e).

20 (d) Any other provisions of law to the contrary
21 notwithstanding, prior to hearing of a petition the commission

1 and its staff may view and inspect any land which is the subject
2 of the petition.

3 (e) Any other provisions of law to the contrary
4 notwithstanding, agencies and persons may intervene in the
5 proceedings in accordance with this subsection.

6 (1) The petitioner, the office of planning, and the county
7 planning department shall in every case appear as
8 parties and make recommendations relative to the
9 proposed boundary change.

10 (2) All departments and agencies of the State and of the
11 county in which the land is situated shall be admitted
12 as parties upon timely application for intervention.

13 (3) All persons who have some property interest in the
14 land, who lawfully reside on the land, or who
15 otherwise can demonstrate that they will be so
16 directly and immediately affected by the proposed
17 change that their interest in the proceeding is
18 clearly distinguishable from that of the general
19 public shall be admitted as parties upon timely
20 application for intervention.

- 1 (4) All other persons may apply to the commission for
2 leave to intervene as parties. Leave to intervene
3 shall be freely granted, provided that the commission
4 or its hearing officer if one is appointed may deny an
5 application to intervene when in the commission's or
6 hearing officer's sound discretion it appears that:
7 (A) the position of the applicant for intervention
8 concerning the proposed change is substantially the
9 same as the position of a party already admitted to
10 the proceeding; and (B) the admission of additional
11 parties will render the proceedings inefficient and
12 unmanageable. A person whose application to intervene
13 is denied may appeal such denial to the circuit court
14 pursuant to section 91-14.
- 15 (5) The commission shall pursuant to chapter 91 adopt
16 rules governing the intervention of agencies and
17 persons under this subsection. Such rules shall
18 without limitation establish: (A) the information to
19 be set forth in any application for intervention; (B)
20 time limits within which such applications shall be

1 filed; and (C) reasonable filing fees to accompany
2 such applications.

3 (f) Together with other witnesses that the commission may
4 desire to hear at the hearing, it shall allow a representative
5 of a citizen or a community group to testify who indicates a
6 desire to express the view of such citizen or community group
7 concerning the proposed boundary change.

8 (g) Within a period of not more than three hundred sixty-
9 five days after the proper filing of a petition, unless
10 otherwise ordered by a court, or unless a time extension, which
11 shall not exceed ninety days, is established by a two-thirds
12 vote of the members of the commission, the commission, by filing
13 findings of fact and conclusions of law, shall act to approve
14 the petition, deny the petition, or to modify the petition by
15 imposing conditions necessary to uphold the intent and spirit of
16 this chapter or the policies and criteria established pursuant
17 to section 205-17 or to assure substantial compliance with
18 representations made by the petitioner in seeking a boundary
19 change. The commission may provide by condition that absent
20 substantial commencement of use of the land in accordance with
21 such representations, the commission shall issue and serve upon

1 the party bound by the condition an order to show cause why the
2 property should not revert to its former land use classification
3 or be changed to a more appropriate classification. Such
4 conditions, if any, shall run with the land and be recorded in
5 the bureau of conveyances.

6 (h) No amendment of a land use district boundary shall be
7 approved unless the commission finds upon the clear
8 preponderance of the evidence that the proposed boundary is
9 reasonable, not violative of section 205-2 and part III of this
10 chapter, and consistent with the policies and criteria
11 established pursuant to sections 205-16 and 205-17. Six
12 affirmative votes of the commission shall be necessary for any
13 boundary amendment under this section.

14 (i) Notwithstanding any other provision of law to the
15 contrary, the land use commission may vacate, void, modify, or
16 amend any land use district boundary amendment approved under
17 this section if the land use commission reasonably finds that
18 there has been a failure to substantially conform with the
19 conditions or requirements of the boundary amendment.

20 ~~[(i)]~~ (j) Parties to proceedings to amend land use
21 district boundaries may obtain judicial review thereof in the

1 manner set forth in section 91-14, provided that the court may
2 also reverse or modify a finding of the commission if such
3 finding appears to be contrary to the clear preponderance of the
4 evidence.

5 ~~[(j)]~~ (k) At the hearing, all parties may enter into
6 appropriate stipulations as to findings of fact, conclusions of
7 law, and conditions of reclassification concerning the proposed
8 boundary change. The commission may but shall not be required
9 to approve such stipulations based on the evidence adduced."

10 SECTION 2. Section 205-6, Hawaii Revised Statutes, is
11 amended to read as follows:

12 "**§205-6 Special permit.** (a) Subject to this section, the
13 county planning commission may permit certain unusual and
14 reasonable uses within agricultural and rural districts other
15 than those for which the district is classified. Any person who
16 desires to use the person's land within an agricultural or rural
17 district other than for an agricultural or rural use, as the
18 case may be, may petition the planning commission of the county
19 within which the person's land is located for permission to use
20 the person's land in the manner desired. Each county may
21 establish the appropriate fee for processing the special permit

1 petition. Copies of the special permit petition shall be
2 forwarded to the land use commission, the office of planning,
3 and the department of agriculture for their review and comment.

4 (b) The planning commission, upon consultation with the
5 central coordinating agency, except in counties where the
6 planning commission is advisory only in which case the central
7 coordinating agency, shall establish by rule or regulation, the
8 time within which the hearing and action on petition for special
9 permit shall occur. The county planning commission shall notify
10 the land use commission and such persons and agencies that may
11 have an interest in the subject matter of the time and place of
12 the hearing.

13 (c) The county planning commission may, under such
14 protective restrictions as may be deemed necessary, permit the
15 desired use, but only when the use would promote the
16 effectiveness and objectives of this chapter; provided that a
17 use proposed for designated important agricultural lands shall
18 not conflict with any part of this chapter. A decision in favor
19 of the applicant shall require a majority vote of the total
20 membership of the county planning commission.

1 (d) Special permits for land the area of which is greater
2 than fifteen acres or for lands designated as important
3 agricultural lands shall be subject to approval by the land use
4 commission. The land use commission may impose additional
5 restrictions as may be necessary or appropriate in granting the
6 approval, including the adherence to representations made by the
7 applicant.

8 (e) A copy of the decision, together with the complete
9 record of the proceeding before the county planning commission
10 on all special permit requests involving a land area greater
11 than fifteen acres or for lands designated as important
12 agricultural lands, shall be transmitted to the land use
13 commission within sixty days after the decision is rendered.

14 Within forty-five days after receipt of the complete record
15 from the county planning commission, the land use commission
16 shall act to approve, approve with modification, or deny the
17 petition. A denial either by the county planning commission or
18 by the land use commission, or a modification by the land use
19 commission, as the case may be, of the desired use shall be
20 appealable to the circuit court of the circuit in which the land

1 is situated and shall be made pursuant to the Hawaii rules of
2 civil procedure.

3 (f) Land uses substantially involving or supporting
4 educational ecotourism, related to the preservation of native
5 Hawaiian endangered, threatened, proposed, and candidate
6 species, that are allowed in an approved habitat conservation
7 plan under section 195D-21 or safe harbor agreement under
8 section 195D-22, which are not identified as permissible uses
9 within the agricultural district under sections 205-2 and
10 205-4.5, may be permitted in the agricultural district by
11 special permit under this section, on lands with soils
12 classified by the land study bureau's detailed land
13 classification as overall (master) productivity rating class C,
14 D, E, or U.

15 (g) Notwithstanding any other provision of law to the
16 contrary, the land use commission may vacate, void, modify, or
17 amend any special permit granted under this section if the land
18 use commission reasonably finds there has been a failure to
19 substantially conform with the conditions or requirements of the
20 order granting the special permit."
