ELIJAH YIP

Your Committee received testimony in support of the nomination of Elijah Yip from the High Technology Development Corporation.

Your Committee finds that Mr. Yip has legal experience in the practice areas of digital media and internet law, First Amendment rights,

KELLY KING

Your Committee received testimony in support of the nomination of Kelly King from the Department of Transportation, High Technology Development Corporation, Trilogy Corporation, and two individuals.

Upon review of the testimony, your Committee finds that Ms. King's experience in the biodiesel industry, commitment to public service, and proven leadership qualify her for appointment to the Board of Directors of the High Technology Development Corporation. Your Committee notes that Ms. King has experience in manufacturing and alternative energy sources. Your Committee further finds that Ms. King has been nominated to the Board of Directors of the High Technology Development Corporation based on her knowledge, experience, and commitment to public service.

DANIEL LEUCK

Your Committee received testimony in support of the nomination of Daniel Leuck from the High Technology Development Corporation.

Upon review of the testimony, your Committee finds that Mr. Leuck's experience as a software developer, commitment to public service, and proven leadership qualify him for appointment to the Board of Directors of the High Technology Development Corporation. Your Committee notes that Mr. Leuck serves as the Director of TechHui and as a board member of ThinkTech and Kokua Coop. Your Committee further finds that Mr. Leuck has been nominated to the Board of Directors of the High Technology Development Corporation based on his knowledge, experience, and commitment to public service.

As affirmed by the records of votes of the members of your Committee on Economic Development, Environment, and Technology that are attached to this report, your Committee, after full

consideration of the background, experience, and qualifications of the nominees, has found the nominees to be qualified for the positions to which nominated and recommends that the Senate advise and consent to the nominations.

Respectfully submitted on
