

STAND. COM. REP. NO. **2081**

Honolulu, Hawaii

FEB 11 2016

RE: S.B. No. 2381

Honorable Ronald D. Kouchi
President of the Senate
Twenty-Eighth State Legislature
Regular Session of 2016
State of Hawaii

Sir:

Your Committee on Transportation and Energy, to which was referred S.B. No. 2381 entitled:

"A BILL FOR AN ACT RELATING TO THE KIHEI BOAT HARBOR,"

begs leave to report as follows:

The purpose and intent of this measure is to make an appropriation for design, permitting, and maintenance dredging for the Kihei Boat Harbor.

Your Committee received testimony in support of this measure from the Department of Land and Natural Resources and Aha Moku Advisory Committee.

Your Committee finds that small boat harbors in Hawaii play an important role in the ocean recreational experiences of residents and visitors. Such experiences include yacht racing, canoe regattas, board sailing, ocean swimming, fishing, and surfing. The quality of ocean recreation experiences may be diminished by the inadequate upkeep of the State's boating facilities.

Your Committee further finds that despite the State's efforts to dredge the channel entrance and turning basin of Kihei Boat Harbor in 2007, launching and vessel retrieval problems continue to persist, creating unsafe conditions during certain ocean conditions.

As affirmed by the record of votes of the members of your Committee on Transportation and Energy that is attached to this

2016-0982 SSCR SMA.doc

report, your Committee is in accord with the intent and purpose of S.B. No. 2381 and recommends that it pass Second Reading and be referred to your Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committee on Transportation and
Energy,

LORRAINE R. INOUE, Chair

The Senate
Twenty-Eighth Legislature
State of Hawai'i
