

STAND. COM. REP. NO.

454

Honolulu, Hawaii

FEB 20 2015

RE: S.B. No. 257  
S.D. 1

Honorable Donna Mercado Kim  
President of the Senate  
Twenty-Eighth State Legislature  
Regular Session of 2015  
State of Hawaii

Madam:

Your Committees on Public Safety, Intergovernmental and Military Affairs and Economic Development and Technology, to which was referred S.B. No. 257 entitled:

"A BILL FOR AN ACT RELATING TO ENTERPRISE ZONES,"

beg leave to report as follows:

The purpose and intent of this measure is to amend the definition of "eligible business activity" relating to enterprise zones to include research and development activities occurring at an aerospace facility.

Your Committees received testimony in support of this measure from the Department of Business, Economic Development, and Tourism. Your Committees received comments on this measure from the Department of Taxation and Tax Foundation of Hawaii.

Your Committees find that the Department of Business, Economic Development, and Tourism's enterprise zone program encourages the development of long-term, full-time jobs for residents in the State's economically disadvantaged areas. Implementation of this measure will advance the State's aerospace industry and create additional skilled jobs for residents.

Your Committees have amended this measure by clarifying the definition of "aerospace facility".

As affirmed by the records of votes of the members of your Committees on Public Safety, Intergovernmental and Military

2015-1710 SSCR SMA.doc

Affairs and Economic Development and Technology that are attached to this report, your Committees are in accord with the intent and purpose of S.B. No. 257, as amended herein, and recommend that it pass Second Reading in the form attached hereto as S.B. No. 257, S.D. 1, and be referred to the Committee on Ways and Means.

Respectfully submitted on  
behalf of the members of the  
Committees on Public Safety,  
Intergovernmental and Military  
Affairs and Economic  
Development and Technology,

---

GLENN WAKAI, Chair
