

Honolulu, Hawaii

FEB 17 2015

RE: S.B. No. 704
S.D. 1

Honorable Donna Mercado Kim
President of the Senate
Twenty-Eighth State Legislature
Regular Session of 2015
State of Hawaii

Madam:

Your Committees on Transportation and Energy and Environment,
to which was referred S.B. No. 704 entitled:

"A BILL FOR AN ACT RELATING TO ELECTRIC VEHICLES,"

beg leave to report as follows:

The purpose and intent of this measure is to clarify the
electric vehicle parking fee exemption for metered and non-metered
state or county parking stalls.

Your Committees received testimony in support of this measure
from the Department of Business, Economic Development and Tourism
and Ulupono Initiative. Your Committees received comments on this
measure from the Department of Transportation.

Your Committees find that developing an electric vehicle
infrastructure is a first and essential step toward the
transformation of transportation in Hawaii. With developing
technology, along with a push by national and international
automakers to expedite the production and supply of electric
vehicles, Hawaii must be ready to embrace a new generation of
highway transportation.

Your Committees have amended this measure by:

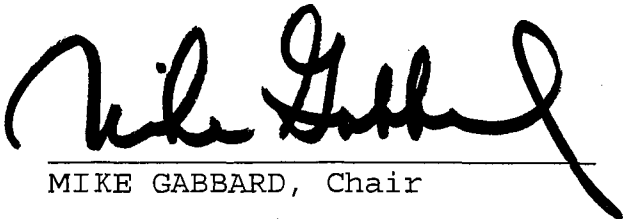

- (1) Requiring a ratio of one electric vehicle parking stall
to be reserved per one hundred stalls in places of
public accommodations;

- (2) Designating the appropriate county authority having jurisdiction over planning and permitting to enforce electric vehicle parking requirements at places of public accommodations; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the records of votes of the members of your Committees on Transportation and Energy and Environment that are attached to this report, your Committees are in accord with the intent and purpose of S.B. No. 704, as amended herein, and recommend that it pass Second Reading in the form attached hereto as S.B. No. 704, S.D. 1, and be referred to the Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committees on Transportation
and Energy and Environment,

MIKE GABBARD, Chair

CLARENCE K. NISHIHARA, Chair

The Senate
Twenty-Eighth Legislature
State of Hawai'i
