

STAND. COM. REP. NO. 3210

Honolulu, Hawaii

MAR 29 2016

RE: S.C.R. No. 147

Honorable Ronald D. Kouchi
President of the Senate
Twenty-Eighth State Legislature
Regular Session of 2016
State of Hawaii

Sir:

Your Committees on Education and Economic Development,
Environment, and Technology, to which was referred S.C.R. No. 147
entitled:

"SENATE CONCURRENT RESOLUTION ENCOURAGING THE DEPARTMENT OF
EDUCATION TO PARTNER SCHOOL COMPLEX AREAS WITH NEIGHBORING
INDUSTRIES TO CREATE K-12 COMPLEX AREA CAREER PATHWAYS,"

beg leave to report as follows:

The purpose and intent of this measure is to encourage the
Department of Education to:

- (1) Partner school complex areas with neighboring industries
to create K-12 complex area career pathways; and
- (2) Plan, design, and construct an applied technology center
at a complex specializing in complex career pathways.

Your Committees received testimony in support of this measure
from the Department of Education, Hawaii State Teachers
Association, IMUAlliance, and one individual.

Your Committees find that skilled employment related to
science, technology, engineering, and math are in demand, and that
the demand is expected to increase in the future. Research
indicates that highly-skilled job openings are likely to expand in
many fields, including agriculture, cybersecurity, and technology.
Although these job openings require skilled applicants, many of
them do not require a college degree. Your Committees further
find that Hawaii's high schools are well situated to give students

the opportunity to learn skills that will make those students more valuable to local employers upon their graduation. This measure will help provide those opportunities to Hawaii's students.

As affirmed by the records of votes of the members of your Committees on Education and Economic Development, Environment, and Technology that are attached to this report, your Committees concur with the intent and purpose of S.C.R. No. 147 and recommend that it be referred to your Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committees on Education and
Economic Development,
Environment, and Technology,

GLENN WAKAI, Chair

MICHELLE N. KIDANI, Chair

The Senate
Twenty-Eighth Legislature
State of Hawai'i
