

Objective

Seeking an opportunity that will allow me to expand my skills and experience inside and outside of the Prison system. My leadership developed throughout my Time in Prison and at the Pu'a Foundation by creating a cohesive and safe environment in which all Women and Teenagers can thrive in making a positive impact for all through relationship building and deep understanding. My mission is to reduce recidivism and to create a place of healing so Women and Children will be more confident in themselves and will be able to stand on their own feet. Can Prison be a place of healing? Yes, it can! I am the product of the Pu'u Honua concept. We are human too, we just made bad choices.
