Subject: Hawaii State Land Use Commission - Nominee Nancy Cabral

To: Senator Mike Gabbard, Chair

Committee on Water, Land and Ag

LATE

Re: Testimony in favor of Nominee Nancy Cabral

Dear Senator Gabbard:

I highly recommend and support that Nancy Cabral continue to be a member on the Land Board. She has shown dedication and leadership to small business and represents Hawaii residents in land use decisions that make sense for all of us. She has the intelligence and drive to cut through the clutter. I have observed her business leadership for over twenty years and admire her integrity and accomplishments.

Very truly yours,

Robert C. Porter / Principal
