To whom it may concern:

I nominate Scott Daniels, Program Specialist V, to the Health Planning Council.

Scott has been very active and supportive in his role with the State Office of Rural Health (SORH) for healthcare providers, patients, and rural health throughout the Hawaiian Islands. He understands the daily challenges in regard to healthcare regulations, quality of care, and declining reimbursements and supports rural healthcare leaders to meet quarterly to discuss best practices, leadership, and quality. He is on the leading edge when compared to his co-harts on the mainland in his role at SORH.

Please let me know if you need any more information or further discussion.

Mahalo,

Eugene Amar Jr.
Administrator
