Comments: I would like to submit my opposition to HB1813. This bill as it is written does not allow for due process which is guaranteed within the "Bill Of Rights". Any Bill that violates a persons rights for due process should not be considered for obvious reasons. Opening this door will no doubt erode the foundation of th Bill air Rights. I submit that no consideration should be taken on this Bill.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
