Dear Speaker Souki, Senator Baker, Senator Keith-Agaran and all Hawaii Legislators.

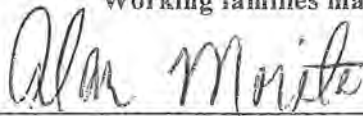

I am very disappointed and bitter after I learned that my brothers and sisters in the HHSC Maui Region are receiving or have received a Reduction-in-Force notice. This is a cruel betrayal by our legislators who passed HB1075 that was signed into law as Act 103, which effectively terminated their employment in the civil service system.

I ask for your immediate and urgent help by passing these bills that are critical to their family's economic survival and well being.

Dear Speaker Souki, Senator Baker, Senator Keith-Agaran and all Hawaii Legislators.

I am very disappointed and bitter after I learned that my brothers and sisters in the HHSC Maui Region are receiving or have received a Reduction-in-Force notice. This is a cruel betrayal by our legislators who passed HB1075 that was signed into law as Act 103, which effectively terminated their employment in the civil service system.

I ask for your immediate and urgent help by passing these bills that are critical to their family's economic survival and well being.

Proposes retirement benefit incentives.

Dear Speaker Souki, Senator Baker, Senator Keith-Agaran and all Hawaii Legislators.

I am very disappointed and bitter after I learned that my brothers and sisters in the HHSC Maui Region are receiving or have received a Reduction-in-Force notice. This is a cruel betrayal by our legislators who passed HB1075 that was signed into law as Act 103, which effectively terminated their employment in the civil service system.

I ask for your immediate and urgent help by passing these bills that are critical to their family's economic survival and well being.

Dear Speaker Souki, Senator Baker, Senator Keith-Agaran and all Hawaii Legislators.

I am very disappointed and bitter after I learned that my brothers and sisters in the HHSC Maui Region are receiving or have received a Reduction-in-Force notice. This is a cruel betrayal by our legislators who passed HB1075 that was signed into law as Act 103. which effectively terminated their employment in the civil service system.

I ask for your immediate and urgent help by passing these bills that are critical to their family's economic survival and well being.

Dear Speaker Souki, Senator Baker, Senator Keith-Agaran and all Hawaii Legislators.

I am very disappointed and bitter after I learned that my brothers and sisters in the HHSC Maui Region are receiving or have received a Reduction-in-Force notice. This is a cruel betrayal by our legislators who passed HB1075 that was signed into law as Act 103. which effectively terminated their employment in the civil service system.

I ask for your immediate and urgent help by passing these bills that are critical to their family's economic survival and well being.

Dear Speaker Souki, Senator Baker, Senator Keith-Agaran and all Hawaii Legislators.

I am very disappointed and bitter after I learned that my brothers and sisters in the HHSC Maui Region are receiving or have received a Reduction-in-Force notice. This is a cruel betrayal by our legislators who passed HB1075 that was signed into law as Act 103. which effectively terminated their employment in the civil service system.

I ask for your immediate and urgent help by passing these bills that are critical to their family's economic survival and well being.
