Comments: Senator, in my view current laws are adequate and I oppose this bill. Additionally the constitution states clearly that the right of the people to keep and bear arms shall not be infringed. As an elected official you swore an oath and have to uphold the Constitution and I expect you to do so. thank you for your kind attention.

Comments: HB 626 does not set a limit for the amount of alcohol an individual can legally consume while in possession of a firearm. Without this specification, any amount of alcohol consumption while in possession of a firearm could constitute a crime. Individuals who possess a firearm and have had a couple sips of wine or anything containing alcohol, like Nyquil, could be in violation of the law.

Comments: I oppose HB626. Possession of a firearm is legal. Consumption of alcohol is legal. Please do not conflate these two activities. Improper use of firearms is already illegal. Stop looking for excuses to separate legal gun owners from their guns. If a gun owner gets stupid and DOES SOMETHING dangerous with them, use due process and prosecute them.

Comments: This is the most OUTRAGEOUS assault on gun ownership by those whose mission is to deny ones 2nd Amendment Rights! Hawaii's Gun Owners are the most Responsible Gun Owners that you can find anywhere in the Country and laws like this are simply beyond the pale. Rather you should make mandatory sentencing for anyone who uses a firearm in a crime from the FIRST OFFENCE! This is so UNREASONABLE that I'm surprised that this bill made it this far. We don't have a problem with alcohol and firearms so why make one??? This bill is going to affect off duty police.. and if you are going to EXEMPT THEM, WHY? Gun owners are just as responsible as the Police Department are and are going to be at home, maybe celebrating a beer after a hunt on the beach somewhere. What about state and local employees who carry firearms. You are potentially affecting them as well if they have but one beer. This is OUTRAGEOUS! Please Table any legislation like this that tries to find criminality where none resides. Much Aloha, Tom Lodge
