Comments: I oppose this bill, as it does not give a specific blood alcohol level. One sip of a beverage or being on cold medicine could have someone's Second Amendment constitutional rights taken away. Quantify the over-the-limit blood alcohol percentage to make this a reasonable bill that protects citizens' rights. OPPOSE this bill as written.

Comments: I oppose this bill because of the establishment of a petty misdemeanor for drinking alcohol outside your home while possessing a firearm. It appears that this bill targets police, as no one else can lawfully carry and yet, off duty police carrying is a public safety benefit. The bill needs an amendment specifying .08 alcohol level.

OPPOSE HB626

I am writing in to oppose HB626.

This bill will reduce public safety substantially. This bill affects everyone, including law enforcement officers. If this bill passes, officers will be put at risk for attacks and they may not intervene if there is an incident for fear of being arrested.

I understand the intent of this bill but it will have a bigger negative impact if allowed to pass.

Please OPPOSE this bill.

Thank you very much.
