Tom Lodge, Chair	County of Hawaii Game Mngmt Advisory Commission	Oppose	No

Comments: Regarding House Bill 799 – HD1 STRONGLY OPPOSE UNLESS AMENDED! DLNR has for decades been flying in violation of §263-10 in furtherance of eradication priorities, often over private property, and reportedly on numerous occasion, without notification to surrounding neighbors. While no one disputes that there are some areas that are so inaccessible as to pose a risk of bodily injury or death, where if game resources need to be removed, aerial shooting would be appropriate. However even as the legislature opens, DLNR is out flying their slaughter without regard to HRS§263-10. Hawaii County Game Management Advisory Commission would support HB799 with amendments that impose accountability upon DLNR, impose necessity for DLNR to collaborate with a State Game Commission on appropriateness and process leading to any control activities including adequate public disclosure. Much Aloha, Tom Lodge, Chair

Comments: I DO NOT SUPPORT. I OPPOSE the slaughter of Hawaii game mammals by a air. DLNR does not have a Game Management Plan and until they do they must stop the killing of Hawaii animal resources by any means.

Comments: Strongly oppose! This is illegal for any gun owner why we making laws to let DLNR break the law in an area where there may be people. Not safe. Don't pass this.

Comments: I STRONGLY OPPOSE HB799 HD2-SD1, without strict oversight. Please add strict oversight and accountability provisions on DLNR, their contractors, and any other involved agencies that may be engaged for aerial shooting activities. Aerial game shooting is prohibited in Hawaii. Aerial shooting should be reserved for special situations on a case by case basis, requiring responsible oversight and Administrative Rules. This kind of species eradication should only be a last resort after all other methods of control have been exhausted in public or private areas. A bona fide manner with which to provide this oversight would be through required consultation and agreement with a Game Commission (or their representatives) regarding these activities, on any public/private lands. Thank you for your consideration.
