Comments: The Hawaii Rifle Association STRONGLY SUPPORTS this measure for Apprentice Hunting Licenses. Our preference is that the license be allowed for two consecutive years and have NO age limitations. Introducing new hunters of all ages is important to the stimulation of hunting in the State of Hawaii. Aloha, Harvey Gerwig, President, Hawaii Rifle Association.

Comments: We need to cultivate interest in the outdoors, nature, & self sufficiency. This bill allows that to happen giving men, women, & our youth an opportunity to experience a long held tradition.

Comments: Along with hunter education, firearm education is extremely important now. It is very important for citizens, especially law abiding, to become more familiar with guns, gun safety, and gun sounds. Familiarity with firearms may reduce fear and panic when in the presence of illegal firearm activity. Many people fear guns because they have never learned how to safely use and respect them. Thank you.
