Comments: The idea of a Kaka'ako campus may be premature, but the site should be supported by the indirect costs that the researchers and grants bring into Kaka'ako. The SOM Dean and the UHCC Director should report as equals to UH Manoa Vice Chancellor of Research.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
