S.B. 2142
RELATING TO TRANSPORTATION

Senate Committee on Transportation and Energy

The Department of Transportation (DOT) **supports** this bill which creates a class C felony offense of endangering public transportation for tampering with a public highway or a facility of public transportation with intent to cause damage, malfunction, nonfunction, theft or unauthorized removal of material which would result in the creation of a substantial risk of death or serious bodily injury to anyone. DOT also recommends that "traffic control devices" be added to the definition of "facility of public transportation" under paragraph (b).
