Comments: We FULLY SUPPORT this common sense bill since it has the potential to decrease the cost of incarceration of prisoners, to the Hawaii Tax Payer. Mahalo.

Comments: Aloha Chair Keith-Agaran, Chair Nishihara, Vice Chair Espero, Vice Chair Shimabukuro, and committee members, I am testifying in support of SB2147 to establish a pilot program for electronic monitoring of inmates qualifying for early release. This program will keep probationers and parolees accountable while they are out in our communities and hopefully deter them from committing more crime. If the inmate has a drug addiction, perhaps attending daily AA/NA meetings could be a condition of their parole or probation within this program.
