Comments: Aloha Chair Nishihara, Vice Chair Espero and members of the committee: I am Lt. Mike Oakland, HGEA, BU-14 State V.P. and Oahu Island Chairman and I would like to stand in support of the intent of this bill. I would like to express my concern that there can be a number of problems that can develop if certain issues are not addressed in this bill such as: People in the community that wants to get back at an officer or deputy and calls in anonymously and makes a false allegation against them as a way to get back at one of us because they received something as simple as a citation. IF this can be addressed then I think it would be fair, but if not then I believe this bill should be held pending additional work during the interim. Mahalo Nui Loa for the chance to submit testimony, and if you would like to contact me please feel free via my cell at, 808-722-3913.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
