Comments: To Chair Tokuda, Vice Chair Dela Cruz and members of the committee:
Thank you for the opportunity to provide testimony in strong support of SB2586 which mandates the counties to approve the installation and use of composting toilets in areas that are inaccessible to municipal wastewater systems. Homeless individuals, the underserved and those in remote populations need not suffer from a lack of adequate toilet facilities. Thank you for considering this measure.

Please note that testimony submitted less than 24 hours prior to the hearing, improperly identified, or directed to the incorrect office, may not be posted online or distributed to the committee prior to the convening of the public hearing.
