Honorable Dee Morikawa, Chair  
House Committee on Human Services  
State Capitol, Room 442  
Honolulu, HI 96813

SUBJECT: SB 2583 RELATING TO COMPOSTING TOILETS

Dear Chair Morikawa and members of the Committee:

I **STRONGLY SUPPORT** SB 2583. This bill is an important bill, especially for individuals living in the remote areas without access to existing wastewater infrastructure. More importantly, the installation and use of composting toilets in public facilities is an efficient and economical way to address the needs of homeless individuals. Lastly, there will be a tremendous reduction in the use of water, one of our most valuable natural resources.

Thank you for the opportunity to share with you my views. Should you have any questions or require any additional information, please feel free to contact me at [salmonson808@yahoo.com](mailto:salmonson808@yahoo.com).
