On behalf of the Hawaii Health Systems Corporation (HHSC) Corporate Board of Directors, thank you for the opportunity to present testimony in **support of SB 459**.

HHSC strongly supports this bill that will appropriate funding from the General Fund to provide our over 730 nonsupervisory employees in white collar positions with their negotiated or arbitrated wages. HHSC requests that the Legislature pass this measure.

We appreciate the Committee's focus on improving healthcare for our island communities. Thank you for the opportunity to testify before this committee.
