S.B. 638 – RELATING TO COLLECTIVE BARGAINING

The Hawaii Government Employees Association, AFSCME Local 152, AFL-CIO strongly supports the concept of allowing graduate students employed by the University of Hawaii to be included in an appropriate collective bargaining unit, as proposed in S.B. 638.

Graduate students employed by the University have encountered numerous work related issues in the past; including budget set backs and increases in class size and workload, in addition to the high cost of living in Hawaii. Despite these issues, graduate student employees have not received a salary increase since 2004. Amending Ch. 89-6, Hawaii Revised Statutes by removing the exclusion of this group from collectively bargaining is the first necessary step in allowing them to unionize and will ensure their rights as state workers.

Respectfully submitted,

Randy Perreira
Executive Director
