Comments: SUPPORT SCR 160/SR 121 - REQUESTING THE SECRETARY OF TRANSPORTATION TO ESTABLISH MINIMUM DIMENSIONS FOR PASSENGER SEATS ON AIRCRAFT Aloha kakou, Please PASS SCR 160/SR121. The Airline Industry (AI) has successfully packed people into their airplanes like a can of sardines. This has contributed to stressful and disgruntled passengers who don't have affordable alternative timely travel options; especially in Hawaii. In the meantime, the AI has significantly increased their profits with all their "optional" ala carte services with fee's, that were once "inclusive" services. Furthermore, the sardine-like conditions may hinder safe egress in emergency situations. Mahalo for this opportunity to TESTIFY IN SUPPORT OF SCR 160/SR 121. Kapua Keliikoka-Kamai
