# A BILL FOR AN ACT

RELATING TO APPRAISAL MANAGEMENT COMPANIES.

#### BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 The legislature finds that in 2008, the SECTION 1. 2 nation's economy was shaken by the collapse of the sub-prime 3 mortgage market, which threatened the country's financial 4 system. While investigating the causes that led to this 5 collapse, Congress determined one cause was the use of 6 appraisals that did not conform to generally accepted standards 7 of independence, objectivity, and impartiality. Extensive abuse 8 was also discovered in the mortgage origination industry, with 9 appraisers' close business relationships with lenders and the 10 use of biased appraisals to facilitate the lending process found 11 to be contributing factors.

12 In response, Congress enacted the Dodd-Frank Wall Street 13 Reform and Consumer Protection Act, P.L. 111-203 (Dodd-Frank 14 Act). The Dodd-Frank Act helped restore independence to the 15 appraisal process by separating the lending process and 16 appraisal functions and requiring these functions to be 17 autonomous.

1 The legislature further finds that appraisal management 2 companies, commonly referred to as AMCs, have proliferated as a 3 result of the Dodd-Frank Act. One way of maintaining 4 independence between the appraisal function and the loan 5 origination function of an appraisal process is to have an 6 intermediary separate from the lender that orders and receives 7 appraisals, a function that has been fulfilled by appraisal 8 management companies. 9 Section 1473 of the Dodd-Frank Act required six federal 10 regulatory agencies to jointly promulgate rules that establish 11 minimum requirements to be applied by states in the registration 12 and supervision of appraisal management companies. The 13 appraisal management companies final rule (AMC Final Rule) was 14 published in the Federal Register on June 9, 2015, (80 Federal 15 Register 32657 et seq.) and became effective August 10, 2015. 16 The AMC Final Rule outlines certain minimum registration and 17 oversight requirements for each state to adopt. While the AMC 18 Final Rule does not force a state to enact these minimum 19 requirements, it specifies that if a state fails to do so by 20 August 10, 2018, certain non-federally regulated appraisal 21 management companies will be barred from providing appraisal

Page 2

1 management services for federally related transactions in that
2 state.

3 The legislature additionally finds that Hawaii's failure to 4 adopt regulations for appraisal management companies that 5 conform to the AMC Final Rule could have unintended and adverse 6 consequences for Hawaii consumers and others involved in the 7 residential appraisal process in the State. The legislature 8 notes that a large source of Hawaii's funding for residential 9 mortgages comes from outside the State, through either direct 10 lending or secondary market investments, which frequently use 11 appraisal management companies. Furthermore, if conforming 12 legislation is not enacted, there is a risk that direct lending 13 for residential mortgages from outside the State could come to a 14 standstill, since appraisal orders could not be placed by 15 mainland lenders and Hawaii is too small a market for a large 16 lender to customize a system for the State. There is also a 17 risk that mortgages may not be available to all people in the 18 State who need them. This potential restriction of available 19 mortgage funds could make home affordability even more elusive 20 for residents of Hawaii and could adversely impact home 21 ownership for many families.

1	The legislature also finds that at least forty other states
2	have acted to preserve the flow of residential lending capital
3	into their communities by enacting legislation in conformance
4	with the AMC Final Rule. The legislature concludes that Hawaii
5	must also enact legislation in conformity with the AMC Final
6	Rule before the August 10, 2018, deadline.
7	Accordingly, the purpose of this Act is to establish a
8	regulatory framework for appraisal management companies in
9	Hawaii, which conforms with the minimum regulatory requirements
10	of the AMC Final Rule and the Dodd-Frank Act.
11	SECTION 2. The Hawaii Revised Statutes is amended by
12	adding a new chapter to be appropriately designated and to read
13	as follows:
14	"CHAPTER

21	requirements of the Dodd-Frank Wall Street Reform and Consumer

Protection Act, Pub. L. No. 111-203, and the final regulations
 published on June 9, 2015, at title 12 Code of Federal
 Regulations, sections 1222.20, et seq., 80 Federal Register
