

1           was issued; and the effectiveness of all habitat  
2           conservation plans and safe harbor agreements that  
3           have been approved;

4           (2) The condition of the trust fund established under this  
5           chapter, including receipts and expenditures over the  
6           previous fiscal year; and

7           (3) Any recommendations to further the purposes of this  
8           chapter.

9   The report and all information pertaining to incidental take  
10 licenses shall be available to the public."

11           SECTION 2. There is appropriated out of the general  
12 revenues of the State of Hawaii the sum of \$           or so  
13 much thereof as may be necessary for fiscal year 2017-2018 and  
14 the same sum or so much thereof as may be necessary for fiscal  
15 year 2018-2019 for the department of land and natural resources  
16 to assess the impacts of incidental take licenses issued  
17 pursuant to sections 195D-4 and 195D-22, Hawaii Revised  
18 Statutes, and to detail those impacts in its annual report  
19 pursuant to section 195D-26, Hawaii Revised Statutes.

20           The sums appropriated shall be expended by the department  
21 of land and natural resources for the purposes of this Act.

# H.B. NO. 816

**Report Title:**

Endangered Species; Incidental Take Licenses; Cumulative Effects; Likelihood of Survival; Department of Land and Natural Resources; Appropriation

**Description:**

Requires the Department of Land and Natural Resources to include in its annual report the impacts of incidental take license issuances on the status and likelihood of survival of the individual species and the cumulative impacts on the full range of species of the specific island for which incidental take licenses have been issued. Appropriates funds to the department to assess the cumulative effects and detail them in its annual report.
