
A BILL FOR AN ACT

RELATING TO IMPORTANT AGRICULTURAL LANDS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Article XI, section 3 of the Hawaii State
2 Constitution establishes the State's duty to "conserve and
3 protect agricultural lands, promote diversified agriculture,
4 increase agricultural self-sufficiency and assure the
5 availability of agriculturally suitable lands" and provides
6 protections for lands identified as important agricultural
7 lands. In service of this duty, the legislature enacted Act
8 183, Session Laws of Hawaii 2005, which was codified in part III
9 of chapter 205, Hawaii Revised Statutes.

10 Act 183 directed each county to work with government and
11 community stakeholders, within sixty months of receipt of state
12 funds for the purpose, to identify and map potential important
13 agricultural lands within its jurisdiction and make
14 recommendations to the land use commission for the designation
15 of these lands as important agricultural lands. Once
16 designated, agricultural operations on important agricultural
17 lands are eligible for a variety of state and county assistance
18 and incentive programs including grants and other funding

1 assistance, tax incentives, favorable infrastructure and permit
2 requirements, and farm and business education assistance. The
3 legislature finds that, to date, most counties have not received
4 state funds to assist with their identification and mapping
5 duties under Act 183.

6 The purpose of this Act is to implement Act 183 in
7 accordance with the State's constitutional duty to protect
8 important agricultural lands by providing funds to the counties
9 for the identification and mapping of important agricultural
10 lands.

11 SECTION 2. There is appropriated out of the general
12 revenues of the State of Hawaii the sum of \$250,000 or so much
13 thereof as may be necessary for fiscal year 2017-2018 and the
14 same sum or so much thereof as may be necessary for fiscal year
15 2018-2019 for grants-in-aid to the counties for the
16 identification and mapping of important agricultural lands
17 pursuant to section 205-47, Hawaii Revised Statutes, or for any
18 expenses that a county has incurred for the purposes of
19 identifying and mapping important agricultural lands before the
20 effective date of this Act for which the State has not
21 previously reimbursed the county, to be allocated as follows:

- 1 (1) \$62,500 to the county of Hawaii;
- 2 (2) \$62,500 to the city and county of Honolulu;
- 3 (3) \$62,500 to the county of Kauai; and
- 4 (4) \$62,500 to the county of Maui.

5 The sums appropriated shall be expended by the department
6 of business, economic development, and tourism for the purposes
7 of this Act.

8 SECTION 3. This Act shall take effect on July 1, 2017.
