Your Committee on Labor & Public Employment, to which was referred H.B. No. 1434 entitled:

begs leave to report as follows:

The purpose of this measure is to require employers of 25 or more food establishment workers to provide the workers with paid time off for:

Independent Business Hawaii; Highway Inn; Minit Stop Stores; Society for Human Resource Management-Hawaii Chapter; and two concerned individuals opposed this measure.

Your Committee finds that the recent outbreak of Hepatitis A in the State demonstrates the impact the food service industry has on public health.

Your Committee has amended this measure by:

- Removing from the definition of "food establishment", any place maintained, used, or operated for the purpose of storing food;
- (2) Allowing service workers to use paid sick leave for illness, treatment, and preventative medical care of the worker's parent and grandparent;
- (3) Prohibiting employers from discharging, threatening, or retaliating against a service worker for using paid sick leave; and
- (4) Changing its effective date to July 1, 2050, to facilitate further discussion.

As affirmed by the record of votes of the members of your Committee on Labor & Public Employment that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1434, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1434, H.D. 1, and be referred to your Committee on Judiciary.
