The Department of Land and Natural Resources (Department) supports Governor's Message 816, nominating Ms. Danna Holck to the Island Burial Council, Island of O'ahu expiring June 30, 2020.

The Island Burial Councils are established under Section 6E-43.5, Hawai'i Revised Statutes. The Councils determine whether to preserve or relocate previously identified native Hawaiian burial sites, recognize lineal and cultural descendants, and provide counsel and advice to the Department.

SENATE COMMITTEE ON HAWAIIAN AFFAIRS

TESTIMONY OF DAWN N.S. CHANG, PRINCIPAL OF KU'IWALU CONSULTING

GOVERNOR'S MESSAGE 816 (GM816)

GUBERNATORIAL NOMINEE, **DANNA HOLCK**
O'ahu Island Burial Council

The Honorable Maile S.L. Shimabukuro, Chair and Members of the Committee:

I **STRONGLY SUPPORT** the nomination of Danna Holck for appointment to the O'ahu Island Burial Council (OIBC). I have professionally and personally known Ms. Holck for many years.

She is the first female hotel manager of native Hawaiian descent for Turtle Bay Resort. Danna's roots are from Kailua, O'ahu, where she grew up and graduated from Kailua High School. Spending much of her professional career working in the visitor industry away from Hawai'i, she returned home to work and make contributions within the local community. She has created a more culturally sensitive environment at the resort, and continues to work alongside the employees to re-establish a sense of Hawaiian cultural pride not only in the visitor experience but amongst the hotel staff.

During her first term sitting on the OIBC she has shown her capability of making sensitive, as well as difficult decisions related to the disposition of native Hawaiian iwi kūpuna. She attends OIBC meetings regularly to ensure there is a quorum. She is thoroughly prepared, as demonstrated by her thoughtful questions of those that come before the council on matters pertaining to the treatment of native Hawaiian burials.

Keeping in line with contributing to the community, Danna is also a very involved Board Member with the Kualoa-He'eia Ecumenical Youth (KEY) Project. She volunteers numerous hours from her busy schedule and has been instrumental in the success of KEY Project's annual 'Ohana Festival, which is KEY's main fundraising event and responsible for helping to fund many of the programs offered to the Ko'olaupoko community.

I respectfully ask that Danna Holck's nomination receive the consent of your committee and be forwarded to the full Senate for confirmation. I appreciate the opportunity to provide comments on Ms. Holck's nomination.

O'ahu Island Burial Council

The Honorable Senator Maile Shimabukuro and Members of the O'ahu Island Burial Council:

I strongly support the nomination of Danna Holck for the appointment to the O'ahu Island Burial Council. I have known Ms. Holck since joining the O'ahu Island Burial Council four years ago.

Ms. Holck has been an active member of the Hawaiian community and is a regular attendee at O'ahu Island Burial Council meetings. She has dedicated herself to ensuring iwi kupuna is handled in the most respectful and honorable way. She is respectful and committed to ensuring proper care of iwi kupuna. Ms. Holck dedicates her personal time to attend meetings both as a cultural descendent and a concerned native Hawaiian. Her delivery is consistently honest and straight forward. She rarely misses an OIBC meeting and also dedicates her time sharing her mana'o with developers, community members and OIBC members.

I respectfully ask that Danna Holck receive the consent of your committee and be forwarded to the full Senate for confirmation. I appreciate the opportunity to provide comment on Ms. Holck's nomination.
