Re: S.B. 1261, Relating to Cesspools

The Department of Taxation (Department) appreciates the intent of the measure, defers to the Department of Health on the merits of this bill, and provides the following comments for your consideration.

S.B. 1261 amends the cesspool upgrade, conversion, or connection income tax credit to include an upgrade to a wastewater system that includes a composting toilet. The measure is effective upon approval.

As written, the Department will be able to implement the measure for tax years beginning after December 31, 2016.

Thank you for the opportunity to provide comments.

Testimony COMMENTING on SB1261 RELATING TO CESSPOOLS

SENATOR ROSALYN H. BAKER, CHAIR SENATE COMMITTEE ON COMMERCE, CONSUMER PROTECTION, AND HEALTH

SENATOR MIKE GABBARD, CHAIR SENATE COMMITTEE ON AGRICULTURE AND ENVIRONMENT

Hearing Date: February 10, 2017 Time: 1:15 PM Room Number: 224

1 **Fiscal Implications:** None.

2 **Department Testimony:** The Department would like to provide comments for this bill.

3 Composting toilets are normally installed with graywater systems and are suitable for buildings

4 that do not generate kitchen wastewater. Graywater systems may be used to treat and dispose of

5 wastewater from showers and bathtubs, hand-washing lavatories, sinks not used for food

6 preparation, and washing machines. Residential dwellings and commercial buildings that have

7 kitchens are required to install septic tank systems or aerobic treatment units because kitchen

8 wastewater needs to be treated like sewage because of its high organic content.

9 We believe that the majority of qualified cesspools are connected to buildings with kitchen

10 facilities. Therefore, compost toilets and graywater systems will not be an upgrade option for

11 most of the qualifying cesspools.

12 Thank you for the opportunity to testify on this measure.

SUBJECT: INCOME, Expand cesspool credit eligibility

BILL NUMBER: SB 1261

INTRODUCED BY: GABBARD, ENGLISH, RIVIERE, RUDERMAN, Dela Cruz, Inouye, K. Rhoads, Shimabukuro, L. Thielen

BRIEF SUMMARY: Amends HRS section 235-16.5 to add to the definition of "qualified expenses" the costs of upgrading or converting a qualified cesspool into a wastewater system that includes a composting toilet.

EFFECTIVE DATE: Upon approval.

STAFF COMMENTS: This measure tinkers with the cesspool credit by adding to the definition of "qualified expenses" eligible for the credit.

Because that definition now contains lots of "ands" and "ors," paragraph and subparagraph labels should be inserted, as is the case with the existing definition of "qualified cesspool," to make sure that readers of the law are able to parse the definition correctly.
