
HOUSE CONCURRENT RESOLUTION

DECLARING HAWAII TO BE A HO'OKIPA (WELCOMING) STATE.

1 WHEREAS, the State motto "[u]a mau ke ea 'o ka 'āina i ka
2 pono," which means, "[t]he life of the land is perpetuated in
3 righteousness," reminds us that our deepest community values
4 compel us to welcome the visitor and care for the wanderer in
5 our midst; and

6
7 WHEREAS, the traditional Hawaiian value of ho'okipa, or
8 open-hearted hospitality, calls us to welcome the visitor and
9 the stranger alike, and to unselfishly extend to others the best
10 that we have to give; and

11
12 WHEREAS, Hawaii is justifiably proud of its diverse
13 immigrant heritage, which has woven the many people of this
14 State into a rich tapestry of races, ancestral groups,
15 religions, cultures, and languages from all over the world; and

16
17 WHEREAS, Hawaii's unique spirit of inclusiveness allows its
18 diverse people to live in relative harmony because of our
19 respect and aloha for each other and our commitment to peace and
20 justice; and

21
22 WHEREAS, our state and county governments cultivate a
23 culture of inclusion when they ensure that all people in our
24 communities receive equal protection under the law and
25 respectful treatment, without regard to their race, national
26 origin, ancestry, or citizenship status; and

27
28 WHEREAS, Hawaii's inclusionary and peaceful culture is now
29 threatened by inflammatory rhetoric and harsh federal policies
30 that vilify immigrants, divide communities and families, and

1 create fear and suspicion among different racial, ethnic, and
2 ancestral groups; and
3

4 WHEREAS, the executive branch of the federal government has
5 recently revived a program under section 287(g) of the
6 Immigration and Nationality Act that allows a state or local law
7 enforcement entity to enter into a partnership with the
8 Immigration Control and Enforcement (ICE) division of the
9 Department of Homeland Security in order to receive delegated
10 authority for immigration enforcement within their
11 jurisdictions; and
12

13 WHEREAS, the enforcement of federal immigration laws is a
14 function that is reserved to the federal government, and the
15 costs of which should be borne by the federal government; and
16

17 WHEREAS, the people of Hawaii already shoulder the costs of
18 providing health care, housing, education, and other social
19 services to migrants from various Pacific Island communities,
20 who were forced to leave their ancestral homelands because of
21 the devastating effects of some actions of the United States,
22 such as the above-ground testing of nuclear weapons and the
23 building of large military installations that displaced
24 islanders from the ancestral lands; and
25

26 WHEREAS, it would be an injustice to Hawaii's residents for
27 the State, or any of its political subdivisions, to expend
28 scarce state resources enforcing federal immigration policies
29 instead of providing for housing, education, transportation,
30 medical care, and other basic human needs here in Hawaii; and
31

32 WHEREAS, the involvement of state law enforcement officers
33 in federal deportation programs and activities would alienate
34 members of our many communities and undermine the relationships
35 between the State's law enforcement agencies and local
36 communities; and
37

38 WHEREAS, many other state and city governments across the
39 country have acted to protect their residents who are
40 undocumented immigrants by preventing local law enforcement
41 agents from asking people about their immigration status or from

1 serving as federal agents to perform the duties reserved to
2 federal agents, and by ensuring that all residents have access
3 to state and county services, regardless of immigration status;
4 now, therefore,
5

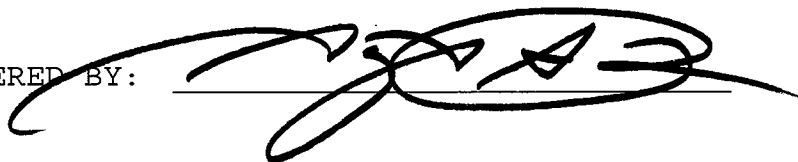

6 BE IT RESOLVED by the House of Representatives of the
7 Twenty-ninth Legislature of the State of Hawaii, Regular Session
8 of 2017, requests that the State of Hawaii and its political
9 subdivisions recognize that immigration is a federal function
10 and that local law enforcement agencies should decline to work
11 with federal immigration agencies; and
12

13 BE IT FURTHER RESOLVED that the State and its political
14 subdivisions are requested to not expend state or county funds
15 by entering into any agreements under section 287(g) of the
16 Immigration and Nationality Act or any similar agreement with
17 the United States Immigration and Customs Enforcement (ICE), or
18 by engaging in any other law enforcement activities that
19 collaborate with ICE or any other federal law enforcement agency
20 in connection with the deportation of undocumented immigrants
21 who have not been convicted of committing a violent crime; and
22

23 BE IT FURTHER RESOLVED that the Governor is requested to
24 appoint a Ho'okipa Commission to ensure a safe, secure, and
25 welcoming community for everyone, including immigrants of every
26 status, to promote respectful relations and collaboration
27 between community members and agencies providing public safety
28 services; and
29

30 BE IT FURTHER RESOLVED that certified copies of this
31 Concurrent Resolution be transmitted to the Governor; the Mayors
32 of the City and County of Honolulu and the Counties of Kauai,
33 Maui, and Hawaii; the Chairs of the respective county councils;
34 and the Chiefs of Police of the City and County of Honolulu and
35 the Counties of Kauai, Maui, and Hawaii; and the Chief Justice
36 of the Hawaii Supreme Court.
