
HOUSE CONCURRENT RESOLUTION

URGING PRESIDENT DONALD J. TRUMP TO RESTORE HIS ADMINISTRATION'S
PROPOSED \$1,300,000,000 CUT TO THE UNITED STATES COAST
GUARD'S BUDGET.

1 WHEREAS, the United States Coast Guard plays a vital role
2 in the security of the State of Hawaii and nation including port
3 security, anti-terrorism force protection, maritime and
4 infrastructure protection, and law enforcement; and

5
6 WHEREAS, over 1,150 active duty, 150 reserve, 80 civilian,
7 and 400 auxiliary personnel compose the Honolulu-based United
8 States Coast Guard District Fourteen, which covers more than
9 12,200,000 square miles of land and sea, the largest territory
10 of all Coast Guard districts; and

11
12 WHEREAS, the priority policies of the administration of
13 President Donald J. Trump include enhancing border security,
14 preventing illegal immigration, fighting terrorism, enforcing
15 the law, and investing in the nation's military; and

16
17 WHEREAS, contrary to these stated policy objectives, the
18 Trump administration is proposing to cut \$1,300,000,000 from the
19 Coast Guard's \$9,100,000,000 budget, resulting in an 11.8
20 percent decrease of military funding for a Coast Guard that
21 enhances border security, prevents illegal immigration, fights
22 terrorism, and enforces the law; and

23
24 WHEREAS, the steady decline in the Coast Guard's budget
25 since 2010 has generally constrained Coast Guard operations,
26 negatively impacted Coast Guard missions and infrastructure, and
27 delayed necessary recapitalization efforts; and

28
29 WHEREAS, recapitalization plans for nine new cutters to
30 replace aging cutters from the 1960s are underway with one

1 recently allocated to Hawaii and another to follow in the near
2 future; and

3
4 WHEREAS, Secretary of Homeland Security John Kelly in his
5 previous capacity as Commanding Officer of United States
6 Southern Command testified before the United States Congress in
7 support of recapitalization of the Coast Guard's deteriorating
8 cutter fleet; and

9
10 WHEREAS, the recapitalization plan is not feasible with the
11 proposed budget cuts; and

12
13 WHEREAS, Secretary John Kelly further testified that the
14 most effective non-violent means to interdict drugs is through
15 our maritime borders; and

16
17 WHEREAS, the Coast Guard prevented a record breaking
18 416,000 pounds of illegal drugs, worth nearly \$5,600,000,000
19 from entering the United States in 2016; now, therefore,

20
21 BE IT RESOLVED by the House of Representatives of the
22 Twenty-ninth Legislature of the State of Hawaii, Regular Session
23 of 2017, the Senate concurring, that President Donald J. Trump
24 is urged to restore his administration's proposed \$1,300,000,000
25 cut to the United States Coast Guard's budget; and

26
27 BE IT FURTHER RESOLVED that certified copies of this
28 Concurrent Resolution be transmitted to President Donald J.
29 Trump and the Director of the Office of Management and Budget.
