## Application for Grants

*Please check the box when item/section has been completed. If any item is not applicable to the request, the applicant should enter "not applicable".*

### **I. Background and Summary**

**This section shall clearly and concisely summarize and highlight the contents of the request in such a way as to provide the State Legislature with a broad understanding of the request. Please include the following:**

1.  **A brief description of the applicant's background;**

Hawaiian Kamali'i, Inc. dba Hawaiian Canoe Club (HCC) has a mission to perpetuate and preserve the art of Hawaiian canoe paddling by providing an environment rooted in traditional Hawaiian values that promote personal growth, character development, and achievement in physical fitness.

Founded in 1960, Hawaiian Canoe Club has emerged as a transformative leader because of our ability to balance competitive paddling with the values, traditions and lessons of Native Hawaiian culture. HCC has provided a cultural and educational program to about 90 children every summer since 1992. Competitively, HCC has held the Maui County Championship title since 1985 and has won the Hawaiian Canoe Racing State Championship 14 out of the last 17 years.

2.  **The goals and objectives related to the request;**

Hawaiian Canoe Club seeks support for capital improvements to the Club Hale at Hoaloha Park in Kahului. Our goal is to improve safety and security of club facilities. The primary objective related to this request is to replace chain-link gates with lightweight, prefabricated metal gates. The new gates will provide long-term security and will withstand exposure to salt, humidity and wind.

3.  **The public purpose and need to be served;**

Hawaiian Canoe Club serves this community as one of the very few child-centered facilities with access to the ocean on the north shore of Maui. The club site provides a safe place for children and families to spend time and grow through rich experiences.

Through the summer cultural and educational program, HCC offers opportunities for children as young as ten to experience open ocean paddling to neighbor islands, work in lo'i kalo, study Native Hawaiian language, history and culture, and hike to remote areas of Maui Nui. Youth leaders complete certification trainings in CPR, first aid and water safety / lifeguarding. Upon completion of the training, about ten teens are selected each summer to serve as mentors and receive a work stipend for their service.

HCC supports year-round activities for Maui youth and is highly involved with the Maui Interscholastic League (MIL) paddling program. HCC members volunteer as coaches and officials and we host Seabury Hall and King Kekaulike High School paddling teams at our club site. The Club Hale also supports a growing recreational paddling program involving more than 70 people, primarily seniors over 55 years of age. They paddle, organize beach clean ups, practice hula and oli, and gather for breakfast potlucks. HCC is developing wellness, weight training and nutrition programs to better support this growing group of kūpuna members.

4.  **Describe the target population to be served; and**

Since its founding in 1960, HCC has been dedicated to nurturing and supporting the youth of Maui. With the rise in popularity of ocean sports, paddling attracts at-risk youth who may not identify with traditional sports teams or educational programs. Using “sports as a hook” to engage young people, paddling opens the door to learning about culture, history, navigation techniques and the environment. Through years of involvement, our kids learn to see themselves as lifelong learners, disciplined athletes and stewards of the environment.

HCC is comprised of 300 members, out of which about 150 are keiki paddlers. The summer cultural and educational program serves up to 90 children, ages 10 to 14, and 10 youth leaders, ages 14 to 18. For many children, HCC provides tremendous opportunities they will not get otherwise. Over years of involvement, children from single parent- and low-income-households, poor grade performance and other risk factors thrive as they develop confidence and a sense of kūleana (responsibility). We also serve a growing kūpuna membership through paddling, cultural programs and social activities for older adults.

5.  **Describe the geographic coverage.**

HCC operates on a .75 acre parcel at Hoaloha Park on Kahului Harbor on the north shore of Maui. This central location is accessible to students from various schools in the Baldwin – Kekaulike – Maui Complex Area. Our site is a drop-off location for the Maui Economic Opportunity bus program, so youth from central and upcountry schools can ride the bus to practices and activities.

The HCC Board of Directors recently negotiated a fifty-year lease with the County of Maui. HCC seeks to invest in this vital public space for our community and future generations of paddlers.

## **II. Service Summary and Outcomes**

**The Service Summary shall include a detailed discussion of the applicant’s approach to the request. The applicant shall clearly and concisely specify the results, outcomes, and measures of effectiveness from this request. The applicant shall:**

1.  **Describe the scope of work, tasks and responsibilities;**

The scope of work involves replacing existing chain link gates surrounding the ground level of the Club Hale with durable pre-fabricated security gates. The ground level is about 2,775 square feet with a kitchen and meeting area, storage for one-man and two-man canoes, and storage for two wa'a koa (koa canoes). The new gate system includes fourteen panels (8'4" x 8'). The panels will be hinged to enable double swing gates with locking latch systems. Originally installed in 1997, the existing chain link gates have eroded due to constant exposure to the salt air. With a life expectancy of fifty years, the improved gate system will greatly enhance safety and security of this facility.

The Board President has prepared plans and estimates for the planned improvements and will lead the project. He will oversee work by a construction vendor, which will be selected by competitive bid process, with final approval by the Board of Directors. The Club Manager will oversee logistics, manage financial payments and record keeping, organize volunteer support and will be responsible for reports to funders.

**2.  Provide a projected annual timeline for accomplishing the results or outcomes of the service;**

Project Timeline

Months 1-3	Finalize gate plans and measurements
	Order gate materials, including gate panels, hinges, locks and cane bolts
Months 4-7	Secure construction vendor through competitive bid process
	Develop plans for demolition and disposal of old gates
	Manage delivery and storage of gate materials
Month 8	Remove old gates and install new gate system
Months 9-10	Finalize project and report on completion

**3.  Describe its quality assurance and evaluation plans for the request. Specify how the applicant plans to monitor, evaluate, and improve their results; and**

The Board of Directors will oversee this project to monitor quality, oversee expenses and assure compliance on all aspects of the project. The Board will review materials estimates, approve the project budget, review construction proposals and secure a vendor, and inspect the project upon completion. Leading the project will be the Board President, Dave Ward. He has extensive project management experience and has overseen several major projects for HCC.

**4.  List the measure(s) of effectiveness that will be reported to the State agency through which grant funds are appropriated (the expending agency). The measure(s) will provide a standard and objective way for the State to assess the program's achievement or accomplishment. Please note that if the level of appropriation differs from the amount included in this application that the measure(s) of effectiveness will need to be updated and transmitted to the expending agency.**

This project will be deemed a success if the following benchmarks are met:

Objective: Improve safety and security of HCC Club Hale  
 Indicator of Success: Galvanized metal gate system installed to secure ground level  
 Indicator of Success: New gate system installed within the proposed time frame of 10 months and within the planned budget of \$60,000

**III. Financial**

**Budget**

- 1.  **The applicant shall submit a budget utilizing the enclosed budget forms as applicable, to detail the cost of the request.**

See attached budget forms.

- 2.  **The applicant shall provide its anticipated quarterly funding requests for the fiscal year 2019.**

Quarter 1	Quarter 2	Quarter 3	Quarter 4	Total Grant
\$40,000	\$20,000			

- 3.  **The applicant shall provide a listing of all other sources of funding that they are seeking for fiscal year 2019.**

In addition to this request to the Hawaii State Legislature, HCC is seeking or has secured grants with the following organizations for FY2019. HCC is seeking private foundation grants to improve weight training facilities, increase office and storage space to enhance support for youth and kūpuna programs.

Strong Foundation	\$100,000	upcoming
McInerny Foundation	\$ 25,000	upcoming
Hawaii Tourism Authority	\$ 20,000	secured
County of Maui	\$ 18,672	secured
Saltchuk Resources, Inc.	\$ 15,000	secured

- 4.  **The applicant shall provide a listing of all state and federal tax credits it has been granted within the prior three years. Additionally, the applicant shall provide a listing of all state and federal tax credits they have applied for or anticipate applying for pertaining to any capital project, if applicable.**

Not applicable.

- 5.  **The applicant shall provide a listing of all federal, state, and county government contracts, grants, and grants in aid it has been granted within the prior three years and will be receiving for fiscal year 2019 for program funding.**

See attached list of all public grants and contracts within the past three years.

6.  **The applicant shall provide the balance of its unrestricted current assets as of December 31, 2017.**

Hawaiian Kamali'i, Inc. had \$122,846 in unrestricted current assets as of December 31, 2017.

#### **IV. Experience and Capability**

1.  **Necessary Skills and Experience**

**The applicant shall demonstrate that it has the necessary skills, abilities, knowledge of, and experience relating to the request. State your experience and appropriateness for providing the service proposed in this application. The applicant shall also provide a listing of verifiable experience of related projects or contracts for the most recent three years that are pertinent to the request.**

Hawaiian Canoe Club (HCC) was founded in 1960 by John M. Lake, a police lieutenant and renowned community leader. The twenty-five charter members wanted to expose Maui keiki to cultural practices and values through outrigger canoe paddling. Hawaiian Kamali'i, Inc., an autonomous 501(c) 3, was created in 1992 to focus on youth development and cultural preservation in the setting of competitive racing.

The existing Club Hale was constructed in 1997, establishing a permanent structure to support cultural and educational programs as well as competitive paddling at HCC. In 2009, the organization raised \$150,000 in private funds for sustainability upgrades to the facility. This involved the construction of a second floor and sustainability upgrades, a photovoltaic system, an energy-efficient air conditioning system, insulation, and six skylights. In 2011, HCC constructed a traditional hale to support cultural programs. The traditional hale was built by master hale builder Francis Palani Sinenci of Hāna and our members who contributed more than 1,500 hours of volunteer labor.

Since 2013, HCC has held contracts of up to \$25,000 annually with the Hawaii Tourism Authority in support of the Maui Jim Pailolo Challenge. This is a 26-mile canoe race from D.T. Fleming Beach on Maui to Kaunakakai Pier on Moloka'i. The Pailolo Challenge is an internationally renowned event, attracting canoe paddlers from around the world. We typically host 85-90 crews from all Hawaiian Islands, California, Oregon and visiting countries such as Canada, Australia, American Samoa and China.

2.  **Facilities**

**The applicant shall provide a description of its facilities and demonstrate its adequacy in relation to the request. If facilities are not presently available, describe plans to secure facilities.**

The HCC Club Hale occupies a .75 acre parcel that is leased from the County of Maui. The main hale is a 2,775 square foot structure built in 1997 and retrofitted for energy savings in 2009. The first floor has a large open meeting/gathering area, canoe storage racks, a kitchen, a weight room, and recently renovated ADA-compliant restrooms. The second floor has a classroom, a boardroom with bathroom, and an office.

Also on the park is our traditional hale, which is a gathering place to perpetuate, preserve, and celebrate traditional Hawaiian practices. In 2011, this site was designated by Maui County as a Cultural Historical Site.

## **V. Personnel: Project Organization and Staffing**

### **1. Proposed Staffing, Staff Qualifications, Supervision and Training**

**The applicant shall describe the proposed staffing pattern and proposed service capacity appropriate for the viability of the request. The applicant shall provide the qualifications and experience of personnel for the request and shall describe its ability to supervise, train and provide administrative direction relative to the request.**

The HCC staff is led by Club Manager, Kaili Moikeha This individual is responsible for administering all youth programs, coordinating use of the facility and equipment, financial management, and human resources. She oversees data collection as well as program evaluation, assessment, finances and reporting. In addition to her position with HCC, Kaili is the Hawaiian Canoe Racing Association Area Coordinator and works as a Safety Consultant with Hawaii Risk Evaluation Service.

The Program Director, Paul Kauhane Lu'uwai, is responsible for supervising and training the summer educational and cultural program. The Program Director works closely with the Club Manager to coordinate year-round activities. Paul has served for more 30 years as Program Director and Head Coach of the Keiki Division at HCC. Paul holds a Master's Degree in Education with emphasis in Curriculum Development from the University of Hawai'i.

Dave Ward, the HCC Board President, will oversee the proposed project. Dave is the founder and principal of Frampton & Ward, LLC, a real estate development and project management firm. Dave has led the HCC board for over 10 years and has overseen three major projects at the club site.

### **2. Organization Chart**

**The applicant shall illustrate the position of each staff and line of responsibility/supervision. If the request is part of a large, multi-purpose organization, include an organization chart that illustrates the placement of this request.**

See attached Organizational Chart for Hawaiian Kamali'i, Inc.

### **3. Compensation**

**The applicant shall provide the annual salaries paid by the applicant to the three highest paid officers, directors, or employees of the organization by position.**

<u>Title</u>	<u>Name</u>	<u>Annual Compensation</u>
Club Manager	Kaili Moikeha	\$ 35,602
Program Director	Paul Kauhane Lu'uwai	\$ 11,200
Contract Bookkeeper	Mary Akiona	\$ 4,800

## **VI. Other**

### **1. Litigation**

**The applicant shall disclose any pending litigation to which they are a party, including the disclosure of any outstanding judgement. If applicable, please explain.**

Hawaiian Kamali'i, Inc. is not currently party to pending litigation and has no outstanding judgements at this time.

### **2. Licensure or Accreditation**

**The applicant shall specify any special qualifications, including but not limited to licensure or accreditation that the applicant possesses relevant to this request.**

Not applicable.

### **3. Private Educational Institutions**

**The applicant shall specify whether the grant will be used to support or benefit a sectarian or non-sectarian private educational institution. Please see Article X, Section 1, of the State Constitution for the relevance of this question.**

Not applicable.

### **4. Future Sustainability Plan**

**The applicant shall provide a plan for sustaining after fiscal year 2018-19 the activity funded by the grant if the grant of this application is:**

- (a) Received by the applicant for fiscal year 2018-19, but**
- (b) Not received by the applicant thereafter.**

The proposed replacement gating system is a one-time project, so future funding will not be required. Regarding sustainability, ongoing maintenance of the HCC Hale has always been integral to the club's operations and programs. The ongoing costs of maintenance and repairs are

largely met through membership dues. When costly improvements are needed, HCC usually seeks private foundation grants or organizes club-driven fundraisers. HCC has one part-time staff person and one board member who oversee facilities and equipment.

By improving the HCC Hale, we build sustainability because excellent facilities draw in new members and help us retain existing members. Further, the community benefits from a safe, secure facility dedicated to perpetuation of our state sport of outrigger canoe paddling.

**5.  Certificate of Good Standing (If the Applicant is an Organization)**

**If the applicant is an organization, the applicant shall submit one (1) copy of a certificate of good standing from the Director of Commerce and Consumer Affairs that is dated no earlier than December 1, 2017.**

See attached Certificate of Good Standing for Hawaiian Kamali'i, Inc., dated January 10, 2018.

**6.  Declaration Statement**

**The applicant shall submit a declaration statement affirming its compliance with Section 42F-103, Hawaii Revised Statutes. ([Link](#))**

See attached Declaration Statement.

**7.  Public Purpose**

**The applicant shall specify whether the grant will be used for a public purpose pursuant to Section 42F-102, Hawaii Revised Statutes. ([Link](#))**

If awarded, this grant will be used for a public purpose pursuant to Section 42F-102, Hawaii Revised Statutes.
