Application for Grants

Please check the box when item/section has been completed. If any item is not applicable to the request, the applicant should enter "not applicable".

I. Background and Summary

This section shall clearly and concisely summarize and highlight the contents of the request in such a way as to provide the State Legislature with a broad understanding of the request. Please include the following:

1. A brief description of the applicant's background;

Kalamaula was the first Hawaiian homestead community developed in 1921 as a demonstration community after the establishment of the Hawaiian Homes Act. The Kalamaula Homesteaders Association (KHA) was founded in 1961 and became a non-profit 501(c)(3) entity since January 2010. KHA was established to ...

... challenge and inspire youth who live on homestead land to achieve their full potential by providing support and opportunities for advancement in education;
... promote better health for our Kalamaula community and homesteader's outside of Kalamaula through education; and
... preserve and protect Hawaii's natural environment, including Kiowea Park in Kalamaula in particular, through the stewardship of our lands consistent with Hawaiian culture, values, and traditional methods of resource management.

Some of the initiatives that Kalamaula Homesteaders Association has participated in include the following:

- Kalaniana'ole Hall - partnered with various organizations to restore and renovate the historic building and currently oversees and manages the Hall.
 - Kiowea Park - made improvements to the park and continues to manage and maintain the Park.
 - Fire Break Project - worked to develop and expand a fire break to ensure fire safety for the community.
 - Community Pasture Project- played a pivotal role in the island-wide development of livestock ventures for the island.
 - Advocacy - plays a critical advocacy role for the Kalamaula Community on issues related to housing, water, and other concerns of homestead residents.
- The proposed project is to build and improve Kiowea Park's deteriorated amenities such as, outmoded restrooms, grills, and an undersized sheltered pavilion. KHA is in need of additional financial support to complete the building of a new pavilion with certified kitchen, updated restrooms (Phase 1-almost completed) paved parking lot, installation of renewable energy resources (to offset the high cost of electricity) landscape beautification. These improvements to Kiowea Park will allow

KHA to be a centrally located resource for the community to use to build or expand their business and/or retail ventures while continuing to provide a cultural event site for the community.

2. The goals and objectives related to the request;

Phase 1:

- Objective #1: To build a new larger sheltered pavilion, to include a certified kitchen at Kiowea Park.
- Objective #2: New restrooms that are ADA compliant and septic system including grease trap for certified kitchen.
- Objective #3: To establish a Community Business and Retail Incubator for the Molokai Community.
- Objective #4: Install alternative energy resource technology.

Phase 2:

- Objective #1: Improve existing and expand parking lot to accommodate increased usage as well as handicapped accessible parking stalls.
- Objective #2: Install alternative energy resource technology.
- Objective #3: Landscape improvements through design, irrigation, and installation.
- Objective #4: Address environmental concerns regarding shoreline deterioration.
- Objective #5: Kiowea Park to be self-sufficient and self-sustaining, impacting the Community through the use of education, culture, and tradition.

3. The public purpose and need to be served;

The redevelopment of Kiowea Park facilities will provide an avenue for the fulfillment of social, cultural, economic, and educational needs for the community. There is a high community demand to lease facilities for many purposes at a reasonable fee. Kiowea Park is centrally located, and community members will have access to utilize Kiowea Park for events, meetings, and fundraisers. The certified kitchen will allow for small business owners to prepare food and be another locale for large commercial farmers or small-scale farmers to prepare their produce and product to ship out to outer islands. Kiowea Park will be an important venue for the Kalamaula Homesteaders Association to be self-sufficient and be able to manage and maintain the historical richness and natural environmental wealth through educational workshops, archival display and community interaction.

4. Describe the target population to be served; and

The target population is based on the 2010 Molokai census, the resident population is 7404 (including Kalaupapa) persons, making up 2402 households. The race

demographics on Molokai include 4599 Native Hawaiians and other Pacific Islanders. The Molokai homestead community consists of approximately 1000 active leaseholds in residential, agricultural, and pastoral leases. As of 2014, DHHL Residential/Agriculture leases for Molokai are: Kalamaula 162/72; Hoolehua 157/348; Kapaakea 47/0; One Alii 29/0. Kiowea Park facilities will be open to all homesteaders as well as the broader non-homestead community.

5. Describe the geographic coverage.

The island of Molokai is the geographic coverage. The island is 38 miles long and 10 miles wide. Specifically, Kiowea Park is centrally located on the island and lies east of the 10-acre Kapuaiwa Grove in Kalamaula. Kiowea Park is fronted by the ocean and shares one of five water springs located in the area. Kiowea Park and its' surrounding area are rich with significant cultural sites and natural beauty.

II. Service Summary and Outcomes

The Service Summary shall include a detailed discussion of the applicant's approach to the request. The applicant shall clearly and concisely specify the results, outcomes, and measures of effectiveness from this request. The applicant shall:

1. Describe the scope of work, tasks and responsibilities;

The scope of work is to perform the proposed Project goals and objectives of Kiowea Park Pavilion, as described in Section I. Tasks set-forth are the responsibility of the Board of Directors of KHA to acquire a Project Manager to manage the Project and the Consultant to assist the Project Manager to ensure the Capital Improvements will be completed in the time allowed. The Project Manager will oversee the Architect, General Contractor and Volunteers. The responsibilities set-forth for the Project Manager is to promote and support the KHA Board of Directors to accomplish and complete the Kiowea Park Pavilion; to increase the capacity and availability of the Pavilion's potential; and to create skills, knowledge, and sustainability potential and economic return for our community.

2. Provide a projected annual timeline for accomplishing the results or outcomes of the Service;

Permits are all completed, and work has been underway for the past two years. Perimeters for completion of the Pavilion are based on the Phases of Construction, which are:

Phase 1:

- A) Frame/Cement work (Done)
- B) Floors (Done)
- C) Roof (Done)

- D) Electrical/Plumbing (8-12 weeks) includes installation of kitchen equipment and restroom accessories and installation of light fixtures and accessories. (8-12 weeks)
- E) Finish Work (4-8 weeks)
- F) Inspections and Occupancy (3 to 6 months)

While Construction is projected to be completed in 6-8 months, the alternative energy technology may take up to 12 months, due to permitting and thus is not included in the timeline above. Also, shipping may also affect the proposed timeline by 3-4 weeks. (Phase 1)

Phase 2:

- A) Handicap Parking/Parking Lot (After receiving new funding 6-8 weeks)
- B) Outside Electrical/Plumbing including fire hydrant (8-12 weeks-DHHL responsible for fire hydrant and water access to property)
- C) Landscape grounds (After building is complete and painted-2 weeks)
- D) Finish Work (After building is complete- 4 weeks)
- E) Clean-up (After Project is complete-1 week)
- F) Final Inspection (After project complete and cleaned up-1 week)

The outcomes can be measured by monthly meeting updates and results reported by the Project manager on the accomplishments of each phase.

3. Describe its quality assurance and evaluation plans for the request. Specify how the applicant plans to monitor, evaluate, and improve their results; and

The KHA Board will require monthly meetings and financial reports from the Project Manager, Consultants and related construction parties (i.e. architect, general contractor and volunteers). The meetings will be for monitoring the the timeline and determine if the project is in line of the accomplishments. KHA has and will continue with all Government regulations and policies to include but not limited to 501 © 3 non-profits. In addition, KHA will follow the policies and procedures set-forth by KHA's by-laws. As required in the procurement process, reporting procedures to DHHL, and the State of Hawaii will be followed. In addition, an annual financial audit will be performed under the KHA by-laws, policies and guidelines; the audit will be outsourced to an accounting firm. KHA will generate a checklist of responsibilities and timelines for each member of the group and progressive feedback from the meetings and questionnaires through participating partners and individuals.

4. List the measure(s) of effectiveness that will be reported to the State agency through which grant funds are appropriated (the expending agency). The measure(s) will provide a standard and objective way for the State to assess the program's achievement or accomplishment. Please note that if the level of appropriation differs from the amount

included in this application that the measure(s) of effectiveness will need to be updated and transmitted to the expending agency.

The funds would be appropriated to KHA. KHA will submit reports as required by the State of Hawaii. KHA will meet on a monthly schedule to review the outcomes for the month from the checklist implemented. The monthly Project and Financial reports will be submitted to the KHA Board and included in the grant reports.

III. Financial

Budget

1. The applicant shall submit a budget utilizing the enclosed budget forms as applicable, to detail the cost of the request.
 - a. Budget request by source of funds ([Link](#))
 - b. Personnel salaries and wages ([Link](#))
 - c. Equipment and motor vehicles ([Link](#))
 - d. Capital project details ([Link](#))
 - e. Government contracts, grants, and grants in aid ([Link](#))

2. The applicant shall provide its anticipated quarterly funding requests for the fiscal year 2019.

Quarter 1	Quarter 2	Quarter 3	Quarter 4	Total Grant
\$350,000	\$350,000	\$350,000	\$250,000	\$1,300,000

3. The applicant shall provide a listing of all other sources of funding that they are seeking for fiscal year 2019.

Atherton Foundation \$200,000.00 (Application due October 1, 2018, Weinberg Foundation \$300,000.00 (Application will be submitted in February 2018), USDA \$50,000.00 Application is being worked on-(For equipment) and DHHL Regional Plan Priority Grant \$100,000.00 (Application due on February 5, 2018).

4. The applicant shall provide a listing of all state and federal tax credits it has been granted within the prior three years. Additionally, the applicant shall provide a listing of all state and federal tax credits they have applied for or anticipate applying for pertaining to any capital project, if applicable.

KHA will seek The New Market Tax Credits to support the Capital Improvement Project. It is estimated that New Market Tax Credits could provide 15-25% subsidy to the project, upon KHA raising 70-80% of the project costs.

5. The applicant shall provide a listing of all federal, state, and county government contracts, grants, and grants in aid it has been granted within the prior three years and will be receiving for fiscal year 2019 for program funding.

KHA has received \$112,500.00 of the \$200,500.00 that was earmarked from DHHL. The monies were from a settlement between the County of Maui and DHHL for the remediation of the old Kalamaula Rubbish Dump.

6. The applicant shall provide the balance of its unrestricted current assets as of December 31, 2017.

IV. Experience and Capability

1. Necessary Skills and Experience

The applicant shall demonstrate that it has the necessary skills, abilities, knowledge of, and experience relating to the request. State your experience and appropriateness for providing the service proposed in this application. The applicant shall also provide a listing of verifiable experience of related projects or contracts for the most recent three years that are pertinent to the request.

Our skills have grown over time and have promoted KHA, run by volunteers to advocate for our Hawaiian Communities. KHA has successfully maintained partnerships with many organizations throughout Molokai and have expanded its overall stewardship of our natural resources.

In 1998, repairs and renovations were made to Kiowea Park's pavilion. At the time, installation of irrigation landscape was also done. The Kalamaula Homesteaders Association established a viable partnership for this project with the Hawaii State Department of Hawaiian Home Lands, Hawaii National Guard, and Maui County Public Works Department. This work from 1998 is being revived. KHA continues voluntary stewardship of Kiowea park in accordance to KHA's mission. Management and maintenance of Kiowea Park continued under the jurisdiction of DHHL until 2011.

Kiowea Park currently exists on Hawaiian Home Lands in Kalamaula. In August 2011 DHHL authorized issuance of a license agreement with Kalamaula Homesteaders Association to manage, operate and maintain the grounds and pavilion of Kiowea Park for 5 years. In August 2016, license was renewed for an additional 10 years which will expire in August 2026.

2. **Facilities**

The applicant shall provide a description of its facilities and demonstrate its adequacy in relation to the request. If facilities are not presently available, describe plans to secure facilities.

The Kiowea Park Pavilion is located at 650 Maunaloa Highway, Kaunakakai, Hawaii. The Kiowea Park Pavilion will be equipped with a certified kitchen, outdoor pavilion, an outdoor hula mound, and an administrative office. The facility will be ADA compliant, as required by law. Licensed from DHHL for up to 20 years. Managed by Kalamaula Homesteaders Association.

V. Personnel: Project Organization and Staffing

1. **Proposed Staffing, Staff Qualifications, Supervision and Training**

The applicant shall describe the proposed staffing pattern and proposed service capacity appropriate for the viability of the request. The applicant shall provide the qualifications and experience of personnel for the request and shall describe its ability to supervise, train and provide administrative direction relative to the request.

- 1- Project Manager-will possess the qualifications necessary to complete the Project and administer all reports to Board as needed.

Stewardship of our economy and genuine wealth ~ Community-based economic development and asset building is a step to self-sufficiency for Kalama‘ula families and community. Kiowea Park and Kalaniana‘ole will be the site for local families to sell their products. KHA will encourage and support the localization of production and economic development. Building upon Kalama‘ula’s history will extend the values of respecting and honoring the history of Kalama‘ula and the gifts and assets within the residents of the community. Ho‘owaiwai is an expression of genuine wealth ~ wealth is measured by the capacity of the people’s desires to protect the many water springs from Kiowea, Kapuaiwa and Ooloo ~ places in the area of Kiowea Beach Park. The measure also involves building on the assets of the people’s skills and extending training and education to the young and those in need. Kiowea Beach Park will provide the landscape and facilities to support KHA’s efforts to instill ho‘owaiwai in the residents’ daily lives. And to support the Park, a diverse range of funding sources are explored; partnerships with private entities and government are explored. Increased emphasis is placed on

sustainable practices, communications, demographics and effective outreach to ensure new and renewed facilities meet the needs of current and future generations. Rental of our facility and certified kitchen will be the main economic factor for sustaining our community is funding is received or not.

5. **Certificate of Good Standing (If the Applicant is an Organization)**

6. **Declaration Statement**

The applicant shall submit a declaration statement affirming its compliance with Section 42F-103, Hawaii Revised Statutes. ([Link](#))

See Attached- Page 10

7. **Public Purpose**

The applicant shall specify whether the grant will be used for a public purpose pursuant to Section 42F-102, Hawaii Revised Statutes. ([Link](#))

The Kalama‘ula Homesteaders Association vision for the future continues the long tradition of Moloka‘i’s love for the land and emphasizes connecting people to the land and to each other. Kiowea Beach Park will continue to enhance the quality of life for Moloka‘i’s homestead community and as well as the public and it will play a significant role in shaping the character of the Kalama‘ula ahupua‘a through the quality of its park, its facilities and surroundings.

These are some of the priorities that KHA has established for the use of Kiowea Park Pavilion:

- o Providing a safe hazard-free park
- o Pursuing health and physical fitness
- o Protecting and spending time in the natural environment
- o Hula Halau practice area
- o Remove dangerous towering non-productive coconut trees
- o Add barbeque grills
- o Add outdoor lighting
- o Involving children, youth and elders in interractional activities
- o Employment Opportunities
- o Jobs that Build from Resident Skills and Expertise – Resource Management, Repair and Maintenance, Building and Construction
- o Jobs for Youth

- o Economic Development Opportunities
- o Entrepreneurial Opportunities
- o Community and Culture Based Visitor Opportunities
- o Other Opportunities
- o Historical and Cultural Documentation
- o Energy Self-Sufficiency
