
A BILL FOR AN ACT

RELATING TO THE STATE CAPITOL.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the State Capitol
2 reflecting pools have long been plagued by persistent algae
3 growth and have become stagnant because of inadequate water
4 circulation and no filtration system. It has been reported that
5 it costs \$100,000 annually to continually clean and maintain the
6 pools and that it would take approximately \$15,200,000 to fix
7 the reflecting pools.

8 The construction of water fountains in the reflecting pools
9 would make the pools essentially self-cleaning by circulating
10 the now stagnant water. This would reduce algae growth, lessen
11 foul odors, and save money on cleaning expenditures which could
12 be reinvested to repair and improve the reflecting pools.

13 Adding choreographed light displays and Hawaiian music to
14 complement the reflecting pool water fountains would enliven the
15 State Capitol and maximize its exposure to a worldwide audience.
16 Similar to the famous dancing fountains at Plaza Salcedo, next
17 to the Provincial Capitol building in Vigan Ilocos Sur in the

1 Philippines, the implementation of daily, dynamic water fountain
 2 shows at the State Capitol will draw visitors, increase visitor
 3 exposure to the Capitol district, and strengthen the State's
 4 tourism industry.

5 The purpose of this Act is to appropriate funds for the
 6 planning, design, and construction of water fountains in the
 7 State Capitol reflecting pools and a choreographed water
 8 fountain show with light displays and Hawaiian music.

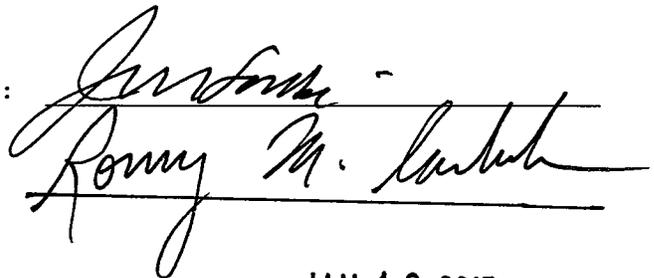

9 SECTION 2. There is appropriated out of the general
 10 revenues of the State of Hawaii the sum of \$ or so much
 11 thereof as may be necessary for fiscal year 2017-2018 for
 12 planning, design, and construction of water fountains in the
 13 State Capitol reflecting pools and a choreographed water
 14 fountain show with light displays and Hawaiian music.

15 The sum appropriated shall be expended by the department of
 16 accounting and general services for the purposes of this Act.

17 SECTION 3. This Act shall take effect on July 1, 2017.
