"§88-74.7 Commencement of benefits on required beginning date. (a) The purpose of this section is to provide for distribution of benefits in accordance with a reasonable and good faith interpretation of section 401(a)(9) of the Internal Revenue Code. Section 401(a)(9) of the Internal Revenue Code requires that the "entire interest" of a member be distributed or that distribution of the member's benefits begin no later than the member's "required beginning date".

(b) For purposes of this section, "required beginning date" means April 1 of the calendar year following the calendar year in which a member terminates service or attains age seventy and one-half, whichever is later.

2 benefits payable under part II, VII, or VIII of this chapter
3 shall commence, no later than the member's or former member's

21 required beginning date with regular interest.

22 (e) If the system does not receive a written election from
23 the member or former member under section 88-83, 88-283, or 88-

H.B. NO. 2337

333, as applicable, prior to the later of the member's or former member's required beginning date or sixty days following the receipt by the member or former member of notice from the system that the member or former member is required to make an election, the following election shall be deemed to have been made as of the ~~[member]~~ member's or former member's required beginning date:

(1) If the member or former member is unmarried or has no reciprocal beneficiary, the member or former member shall be deemed to have elected the maximum retirement allowance; or

(2) If the member or former member is married or has a reciprocal beneficiary, the member or former member shall be deemed to have elected option 3 under section 88-83, or option A under section 88-283, as applicable, and to have designated the member's or former member's spouse or reciprocal beneficiary as the member's or former member's beneficiary;

provided that if the system receives the written election after the member's or former member's required beginning date, but within sixty days following receipt by the member or former member of notice from the system that the member or former member is required to make the election, the written election

H.B. NO. 2337

1 shall apply, and the member's or former member's retirement
2 benefit shall be recomputed, based on the written election,
3 retroactive to the ~~[member]~~ member's or former member's required
4 beginning date. The amount of any underpayment resulting from
5 recomputing the benefit shall bear regular interest. If
6 recomputing the benefit results in an overpayment, payments
7 shall be adjusted so that the actuarial equivalent of the
8 benefit to which the member or former member was correctly
9 entitled shall be paid.

10 (f) If the system does not have current information about
11 the member's or former member's marital or reciprocal
12 beneficiary status at the time of a deemed election, the
13 following presumptions shall apply:

14 (1) If the member or former member was married or had a
15 reciprocal beneficiary at the time the member or
16 former member last provided information to the system
17 about the member's or former member's marital or
18 reciprocal beneficiary status, it shall be presumed
19 that the member or former member is still married to
20 the same spouse or is in the same reciprocal
21 beneficiary relationship. If the system does not have
22 information as to the age of the spouse or reciprocal
23 beneficiary, the spouse or reciprocal beneficiary

H.B. NO. 2337

1 shall be presumed to be forty years younger than the
2 member or former member for purposes of computing the
3 member's or former member's benefit; and

4 (2) If the member or former member was unmarried and did
5 not have a reciprocal beneficiary at the time the
6 member or former member last provided information to
7 the system about the [~~member~~] member's or former
8 member's marital or reciprocal beneficiary status, it
9 shall be presumed that the member or former member is
10 married and that the spouse of the member or former
11 member is forty years younger than the member or
12 former member.

13 (g) The presumptions of subsection (f) shall cease to
14 apply when the member or former member provides the system with
15 current information as to the member's or former member's
16 marital or reciprocal beneficiary status and the age of the
17 [~~member~~] member's or former member's spouse or reciprocal
18 beneficiary, if any, on the member's or former member's required
19 beginning date. The information shall be provided in a form
20 satisfactory to the system. At that time, the member's or
21 former member's retirement allowance shall be recomputed,
22 retroactive to the member's or former member's required
23 beginning date, based on the updated information; provided that,

H.B. NO. 2337

1 except as provided in subsection (e), the member or former
2 member shall not be permitted to change the member's or former
3 member's retirement allowance option election or beneficiary;
4 provided further that the benefit being paid to any member or
5 former member who, on the member's or former member's required
6 beginning date, was unmarried and did not have a reciprocal
7 beneficiary, but who was deemed to elect option 3 or option A
8 with an assumed spouse or reciprocal beneficiary, shall be
9 converted to the maximum retirement allowance retroactive to the
10 member's or former member's required beginning date. The amount
11 of any underpayment resulting from recomputing the benefit shall
12 bear regular interest. If recomputing the benefit results in an
13 overpayment, payments shall be adjusted so that the actuarial
14 equivalent of the benefit to which the member or former member
15 was correctly entitled shall be paid.

16 (h) If the system cannot locate the member or former
17 member, ~~[the member's or former member's benefit shall be~~
18 ~~payable only until the end of the member's or former member's~~
19 ~~life expectancy, as determined at the member's or former~~
20 ~~member's required beginning date. If the member or former~~
21 ~~member has not by that time made a claim for benefits, the~~

23 ~~time. Interest under subsection (d) shall cease on benefits~~

Any benefit that is restored shall be without interest, earnings, or losses for the time period that the benefit was forfeited. All applications for restoration of a forfeited benefit shall be in a form satisfactory to the system.

(i) If after commencing the payment of benefits payable under part II, VII, or VIII of this chapter, the system cannot locate the retirant, beneficiary, or other person or entity entitled to payment of those benefits, the further payment of those benefits shall be forfeited to the system and shall not escheat under the laws of any state; provided that the benefit forfeited shall be restored if the retirant, beneficiary, or other person or entity entitled to payment of the forfeited

21 benefit. Any contributions and interest that are restored under
22 this subsection shall be without interest, earnings, or losses

H.B. NO. 2337

Report Title:

Employees' Retirement System; Unclaimed Property

Description:

Preserves the Employees' Retirement System's use and control of unclaimed member contributions and benefit payments.

The summary description of legislation appearing on this page is for informational purposes only and is not legislation or evidence of legislative intent.

JUSTIFICATION SHEET

DEPARTMENT: DEPARTMENT OF BUDGET AND FINANCE

TITLE: A BILL FOR AN ACT RELATING TO THE EMPLOYEES' RETIREMENT SYSTEM

PURPOSE: To preserve the use and control by the Employees' Retirement System (ERS) of unclaimed member benefits and contributions that would otherwise be paid to the State's Unclaimed Property Program or escheated to other states.

MEANS: Amend sections 88-74.7, 88-96, and 88-341, Hawaii Revised Statutes (HRS).

JUSTIFICATION: Under sections 88-74.7, 88-96, and 88-341, the ERS is required to return member contributions and to commence the payment of benefits to members, former members, beneficiaries, or other persons or entities at certain required distribution dates. Despite a reasonably diligent search, the ERS sometimes cannot locate the member, former member, beneficiary, person or entity to be paid by or at the required distribution dates. In addition, after the ERS has started paying benefits to a retired member or beneficiary, the ERS sometimes ceases to be able to locate and make payments to them, e.g., checks or electronic payments are returned without a forwarding address. Under the State's Uniform Unclaimed Property Act, the unclaimed member contributions and benefit payments are presumed abandoned after a period of time and are required to be paid to the State's Unclaimed Property Program. See part I of chapter 523A, HRS. If the person or entity to be paid is under the jurisdiction of another state, the unclaimed member contributions and benefit payments may have

to be paid to that state. See Section 523A-14, HRS.

This bill would preserve the ERS's use and control of unclaimed member contributions and benefit payments by suspending and forfeiting them to the ERS prior to the time that they would be required to be paid to the State's Unclaimed Property Program or escheated to another state. In addition, the bill preserves the ability of the member, former member, beneficiary, or other person or entity to recover the forfeited contributions or benefit payments by providing a means for those persons or entities to apply to the ERS for recovery of those forfeited contributions and benefit payments.

The bill would also ease the ERS's administrative burdens of complying with the Uniform Unclaimed Property Act, which can be complicated when long term monthly benefit payments are involved.

Impact on the public: None.

Impact on the department and other agencies:
Would eliminate the ERS's payment of unclaimed member contributions and benefits to the State's Unclaimed Property Program.

GENERAL FUND: None.

OTHER FUNDS: Would reduce amounts paid by the ERS to the State's unclaimed property trust fund.

PPBS PROGRAM
DESIGNATION: BUF-141/Retirement.

OTHER AFFECTED
AGENCIES: Unclaimed Property Program in the Department of Budget and Finance.

EFFECTIVE DATE: Upon approval.
