JUSTIFICATION SHEET

DEPARTMENT: Land and Natural Resources

TITLE: A BILL FOR AN ACT RELATING TO DISPOSITION  
WITHIN STATE BOATING FACILITIES.

PURPOSE: To clarify that the Board of Land and  
Natural Resources (Board) may lease all fast  
lands and submerged lands within any  
existing state boating facility pursuant to  
a request for proposals without regard to  
section 200-2.6, Hawaii Revised Statutes  
(HRS).

MEANS: Amend section 200-2.5(a) and repeal section  
200-2.6, HRS.

JUSTIFICATION: Currently, section 200-2.5(a), HRS,  
authorizes the Board to lease "fast lands  
and submerged lands within an existing state  
boating facility" by public auction, a  
request for proposals, or by direct  
negotiation pursuant to section 171-59,  
HRS, and chapter 190D, HRS, for private  
development, management, and operation,  
provided that any lease of fast lands or  
submerged lands pursuant to a request for  
proposals shall be subject to section 200-  
2.6, HRS, regardless to which state boating  
facility the fast or submerged lands are  
attached. In turn however, section 200-2.6,  
HRS, only addresses leases of the Ala Wai  
boat harbor. The reference to section 200-  
2.6, HRS, within section 200-2.5(a), HRS, is  
ambiguous and confusing.

The proposed amendments in this measure  
would remove the reference to section 200-  
2.6, HRS, within section 200-2.5, HRS, to  
not limit the fast lands and submerged lands  
of the Ala Wai boat harbor that may be  
leased.

Impact on the public: The proposed amendments would provide the Department with more flexibility and options to upgrade and improve state boating facilities to the benefit of boaters.

Impact on the department and other agencies: The proposed amendments would provide the Department with more flexibility and options in managing, maintaining, and improving state boating facilities.
