
A BILL FOR AN ACT

RELATING TO INDEMNIFICATION OF COUNTY AGENCIES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that the University of
2 Hawaii campuses frequently use county parks and other facilities
3 for educational purposes and functions, such as physical
4 education classes, athletic events, and graduation events. The
5 legislature also finds that the current procedure for the
6 University of Hawaii to obtain approval from the governor to
7 agree to indemnify a county when a University of Hawaii campus
8 uses a county facility for educational purposes is unnecessarily
9 burdensome, especially for university purposes and functions
10 that occur repeatedly throughout the academic semester as well
11 as annually.

12 The purpose of this Act is to facilitate the process by
13 which the University of Hawaii obtains approval to indemnify,
14 defend, and hold harmless a county agency, its officers, agents,
15 and employees for university purposes and functions on county
16 facilities.

H.B. NO. 2407

"§46-71.5 Indemnification of county agencies. (a) To receive county aid, assistance, support, benefits, services, and interests in or rights to use county property, a state agency may agree in writing to an indemnity provision by which the State agrees to indemnify, defend, and hold harmless a county agency, its officers, agents, and employees when:

14 indemnity provision, or has determined that it is not
15 in the best interest of the State to obtain insurance.

16 (c) Notwithstanding subsection (a), the board of regents
17 of the University of Hawaii or designee may agree to indemnify,
18 defend, and hold harmless a county agency, its officers, agents,

JUSTIFICATION SHEET

DEPARTMENT: University of Hawaii

TITLE: A BILL FOR AN ACT RELATING TO
INDEMNIFICATION OF COUNTY AGENCIES.

PURPOSE: Facilitate the process by which the
University of Hawaii obtains approval to
indemnify, defend, and hold harmless a
county agency, its officers, agents, and
employees for university purposes and
functions on county facilities.

MEANS: Amend section 46-71.5, Hawaii Revised
Statutes (HRS).

JUSTIFICATION: University of Hawaii campuses frequently use
county parks and other facilities for
educational purposes and functions, such as
physical education classes, athletic events,
and graduation events. The current procedure
for the University of Hawaii to obtain
approval from the governor to agree to
indemnify a county when a University of
Hawaii campus uses a county facility for
educational purposes is unnecessarily
burdensome, especially for university
purposes and functions that occur repeatedly
throughout the academic semester as well as
annually.

Impact on the public: None.

Impact on the department and other agencies:
The impact will reduce the amount of time
and energy spent by the University, the
Department of Accounting and General
Services, the Office of the Attorney
General, and the Office of the Governor, on
typically routine matters. Currently, the
University processes approximately 50
memoranda a year to ultimately obtain
approval by the Governor for basic and

customary use of parks and facilities owned and operated by a county on a one-time, limited basis. With autonomy, the University developed its own risk management program and is responsible for all claims and judgments against it through a combined program of self-insurance and commercial insurance policies, as set forth in the Risk Management Special Fund. This measure aligns the administrative and financial responsibilities of an indemnification made by the University with its autonomous authority, and streamlines the approval process in a manner consistent with its legal standing.
