
A BILL FOR AN ACT

RELATING TO INTOXICATING LIQUOR.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that state law does not
2 fully encompass the needs of the craft brewing industry.
3 Similar to wineries, craft breweries allow guests to visit the
4 production location and satellite tasting rooms for tours and
5 educational opportunities. These locations provide sample
6 tastings and information on the beverages being served while
7 also educating visitors on the local nature of the company.

8 Although state laws do not restrict minors from being
9 present in the tasting rooms for brewpub and small craft
10 producer pub licensees, some counties prohibit minors from being
11 present unless the minor is ordering or consuming food from a
12 licensed kitchen on the premises.

13 Considering that the majority of brewing jobs in the State
14 are filled with applicants from the continental United States
15 and abroad, the legislature finds that allowing minors on craft
16 brewery premises, particularly in tasting rooms, provides an

1 opportunity for potential applicants to learn and gain interest
2 in Hawaii's prevalent service industry.

3 The purpose of this Act is to permit brewpub and small
4 craft producer pub licensees to allow minors on the licensee's
5 premises under certain circumstances.

6 SECTION 2. Section 281-31, Hawaii Revised Statutes, is
7 amended as follows:
