
A BILL FOR AN ACT

RELATING TO LANDSCAPING.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. Chapter 322, Hawaii Revised Statutes, is
2 amended by adding a new section to part I to be appropriately
3 designated and to read as follows:
4 "§322- Preferred mosquito breeding habitats; use in
5 public landscaping; prohibited. (a) The department of health
6 shall create and maintain a list of plants and landscaping-
7 related structures or equipment that are known to be preferred
8 habitats for mosquito breeding.
9 (b) No plans, designs, or specifications for new or
10 renovated landscaping of any building, complex of buildings,
11 facility, complex of facilities, or park developed by the State
12 or counties with public moneys shall include any plant or
13 landscaping-related structure or equipment that is determined by
14 the department of health to be a preferred habitat for mosquito
15 breeding.
16 (c) Any plant or landscaping-related structure or
17 equipment that is determined by the department of health to be a

1 preferred habitat for mosquito breeding that exists in
2 landscaping of a State owned building, complex of buildings,
3 facility, complex of facilities, or park shall be removed from
4 the landscaping no later than June 30, 2095.

5 (d) The landscaping of botanical gardens that is routinely
6 maintained shall be exempt from this section."

7 SECTION 2. New statutory material is underscored.

8 SECTION 3. This Act shall take effect on July 1, 2090.

Report Title:

Landscaping; Mosquito Breeding Habitat; DOH

Description:

Requires DOH to create and maintain a list of plants and landscaping related structures or equipment that are known to be preferred habitats for mosquito breeding and prohibits use of these elements in public landscaping. Exempts routinely maintained botanical gardens. (HB604 HD1)
