
HOUSE CONCURRENT RESOLUTION

REQUESTING PROSECUTORS FROM THE VARIOUS COUNTIES AND THE
ATTORNEY GENERAL TO REPORT TO THE LEGISLATURE AS TO THEIR
VICTIM PROTOCOLS.

1 WHEREAS, the State Legislature enacted the Victims and
2 Witnesses Bill of Rights in chapter 801D, Hawaii Revised
3 Statutes, in 1988; and
4

5 WHEREAS, some victims of and witnesses to crimes feel that
6 their rights under chapter 801D, Hawaii Revised Statutes, are
7 being ignored, especially when it comes to delays or repeated
8 continuances in the court proceedings; and
9

10 WHEREAS, certain victims of and witnesses to particular
11 types of crimes, including children, the elderly, and survivors
12 of sexual assault and domestic violence certain victims of and
13 witnesses are especially vulnerable with respect to the stress
14 and trauma of having to repeatedly appear in court, only to
15 learn that trial in their case is being delayed yet again; and
16

17 WHEREAS, there are many reasons that crimes are not
18 prosecuted timely enough for victims and witnesses such as lack
19 of sufficient credible evidence for each element of a crime, key
20 witnesses being absent from the jurisdiction and prioritizing
21 within the respective prosecutors' offices and court system of
22 other crimes; and
23

24 WHEREAS, congestion in the State's courts can lead to the
25 setting of trial dates that are further into the future,
26 repeated delays in the commencement of trial, and in some cases,
27 eventual dismissal of cases based on the age of the case and
28 resulting violation of the defendant's right to a speedy trial
29 under the federal and state constitutions and Rule 48 of the
30 Hawaii Rules of Penal Procedure; and

1
2 WHEREAS, it is a common misconception that dismissals of
3 cases due to delay mean no future prosecution, when in fact, it
4 remains the prosecutor's prerogative to prosecute a crime so
5 long as the court does not dismiss a case with prejudice and
6 such crime is within the statute of limitations; and
7

8 WHEREAS, various county prosecutors have victim counselors
9 that should explain the procedure and what is occurring to
10 victims without compromising the integrity of the criminal
11 prosecution; and
12

13 WHEREAS, it is in the State's best interest that victims
14 and witnesses be fully informed of procedural reasons and
15 decisions that lead to delay; now, therefore,
16

17 BE IT RESOLVED by the House of Representatives of the
18 Twenty-ninth Legislature of the State of Hawaii, Regular Session
19 of 2018, the Senate concurring, that the County Prosecutors and
20 the Attorney General are requested to report to the legislature
21 as to their respective victim protocols, including but not
22 limited to:
23

24 (1) How they implement the rights specified in chapter
25 801D, Hawaii Revised Statutes, within their offices;
26

27 (2) How soon they inform witnesses and victims that a
28 court proceeding will not proceed as scheduled under
29 section 801D-4(2), Hawaii Revised Statutes;
30

31 (3) Whether they inform victims and witnesses as to
32 reasons for delay;
33

34 (4) Whether they inform victims and witnesses as to any
35 reason not to prosecute should a case be dismissed due to
36 delay; and
37

38 (5) Any recommendations in further implementing victims
39 and witness rights under Chapter 801D, Hawaii Revised
40 Statutes; and
41

42 BE IT FURTHER RESOLVED that the report, including any
43 proposed legislation, is requested to be submitted to the

1 Legislature no later than twenty days prior to the convening of
2 the Regular Session of 2020; and
3

4 BE IT FURTHER RESOLVED that certified copies of this
5 Concurrent Resolution be transmitted to the Attorney General and
6 the respective Prosecuting Attorneys of the City and County of
