
HOUSE CONCURRENT RESOLUTION

REQUESTING THE BOARD OF PHARMACY TO CONVENE A WORKING GROUP TO REVIEW THE CURRENT SCOPE OF PRACTICE, LICENSING REQUIREMENTS, AND CONTINUING EDUCATION REQUIREMENTS FOR PHARMACISTS AND CONSIDER WHETHER THE SCOPE OF PRACTICE AND CORRESPONDING LICENSING REQUIREMENTS FOR PHARMACISTS SHOULD BE ENHANCED.

1 WHEREAS, there is a need for more access to health care
2 professionals, particularly registered pharmacists, who can
3 safely provide certain health care services and achieve positive
4 health outcomes for patients; and

5
6 WHEREAS, pharmacists have more direct access to patients
7 than other health care professionals, which can help resolve
8 public health issues with a minimal impact to the overall health
9 system; and

10
11 WHEREAS, advances in technology have changed the delivery
12 of health care over the last thirty years and as a result, the
13 definition of "practice of pharmacy" under existing law is no
14 longer accurate; and

15
16 WHEREAS, pharmacy education has also increased over the
17 years, from an apprentice program to a six-year doctorate
18 program that includes education assessment training and a year
19 working as a pharmacist intern; and

20
21 WHEREAS, pharmacy education now also includes immunization
22 and smoking cessation training, along with other specialty
23 training, which ensures pharmacists are well prepared to provide
24 appropriate health care services to patients; and

25
26 WHEREAS, pharmacists have had a positive impact on public
27 health throughout the State and now immunize more patients than
28 any other health care professionals, which has increased the

1 State's immunization rate, thereby reducing disease and
2 morbidity in the overall population; and

3

4 WHEREAS, registered pharmacists who receive proper
5 training, working under written protocols, can:

6

7 (1) Provide health care services, such as furnishing
8 Naloxone and Epi-pens;

9

10 (2) Administer immunizations and vaccines for bacterial
11 and viral infections, such as influenza, pneumonia,
12 and Hepatitis A;

13

14 (3) Furnish and counsel patients on self-administered
15 hormonal contraception and smoking cessation
16 replacement therapy; and

17

18 (4) Order and perform laboratory tests to determine
19 appropriate medication use and outcomes; and

20

21 WHEREAS, the disciplines of medicine, nursing, and
22 naturopathy are complemented by registered pharmacists, who are
23 an essential part of a primary health care team; and

24

25 WHEREAS, House Bill No. 1950, H.D. 2, introduced during the
26 Regular Session of 2018, proposes to amend the definition of
27 "practice of pharmacy" to expand the scope of services and
28 specific medications that pharmacists may furnish; now,
29 therefore,

30

31 BE IT RESOLVED by the House of Representatives of the
32 Twenty-ninth Legislature of the State of Hawaii, Regular Session
33 of 2018, the Senate concurring, that the Board of Pharmacy is
34 requested to convene a working group to review the current scope
35 of practice, licensing requirements, and continuing education
36 requirements for pharmacists and consider whether the scope of
37 practice and corresponding licensing requirements for
38 pharmacists should be enhanced; and

39

40 BE IT FURTHER RESOLVED that the working group is also
41 requested to:

42

- 1 (1) Gather information on other state laws and regulations
2 relating to the practice of pharmacy or scope of
3 practice of pharmacists;
4
- 5 (2) Review and recommend implementation of pharmacist best
6 practices to promote access to pharmacists who can
7 address public health issues;
8
- 9 (3) Review and recommend, if necessary, any additional
10 education, training, or licensing requirements to
11 address the enhancement of pharmacists' scope of
12 practice and responsibilities; and
13
- 14 (4) Clarify the definition of "furnishing" health care
15 services or medications and "standing orders", as
16 these terms appear in House Bill No. 1950, H.D. 2,
17 Regular Session of 2018; and
18

19 BE IT FURTHER RESOLVED that the working group be composed
20 of the following members:

- 21 (1) The Chairperson of the Board of Pharmacy;
22
- 23 (2) A representative from the Communicable Disease and
24 Public Health Nursing Division of the Department of
25 Health;
26
- 27 (3) A representative from the Hawaii Pharmacists
28 Association;
29
- 30 (4) A representative from the Daniel K. Inouye College of
31 Pharmacy, University of Hawai'i at Hilo;
32
- 33 (5) A representative from a retail/chain store pharmacy;
34
- 35 (6) A representative from a community pharmacy;
36
- 37 (7) A representative from a hospital pharmacy; and
38
- 39 (8) A representative from the local health insurance
40 industry; and
41
- 42

H.C.R. NO. 145

1 BE IT FURTHER RESOLVED that the working group is requested
2 to submit a report of its findings and recommendations,
3 including any proposed legislation, to the Legislature no later
4 than twenty days prior to the convening of the Regular Session
5 of 2019; and

6
7 BE IT FURTHER RESOLVED that certified copies of this
8 Concurrent Resolution be transmitted to the Director of Commerce
9 and Consumer Affairs and Director of Health.
