## HOUSE RESOLUTION

---

URGING THE CONGRESS OF THE UNITED STATES TO ENACT LEGISLATION TO  
PROVIDE UNIVERSAL HEALTH CARE TO ALL INDIVIDUALS RESIDING  
IN THE UNITED STATES AND THE TERRITORIES OF THE UNITED  
STATES.

1 WHEREAS, the quality and cost of healthcare affects every  
2 resident and citizen of the United States, whether the  
3 individual is covered by public or private insurance or is  
4 uninsured; and

5  
6 WHEREAS, the health and well-being of Hawaii's residents  
7 and families has always been of paramount concern to the  
8 Legislature and the people of the State of Hawaii; and

9  
10 WHEREAS, recognizing that access to health care is a  
11 fundamental human right, the Legislature of the State of Hawaii  
12 enacted the Hawaii Prepaid Health Care Act in 1974, the first  
13 law in the nation to set minimum standards of health care  
14 coverage for workers; and

15  
16 WHEREAS, for over forty years, the Hawaii Prepaid Health  
17 Care Act has protected the welfare of the people of Hawaii,  
18 offering residents unparalleled access to health care benefits  
19 and services through various mandates, such as requiring  
20 employers who employ one or more full-time employees to provide  
21 health insurance, setting the standards for health care coverage  
22 in Hawaii, limiting the amount that employees must contribute to  
23 premiums, and requiring employees to accept employer-provided  
24 coverage unless covered under another health insurance plan; and

25  
26 WHEREAS, enactment of the Hawaii Prepaid Health Care Act  
27 has resulted in Hawaii having robust health care plans, low  
28 uninsured rates, and some of the lowest premiums in the country,  
29 and although Hawaii experiences some of the same issues relative  
30 to access, quality, and cost of health care as other states

1 across the country, the Hawaii Prepaid Health Care Act has  
2 ensured health care system stability throughout the State; and  
3

4 WHEREAS, prior to the enactment of the Hawaii Prepaid  
5 Health Care Act, the percentage of Hawaii residents maintaining  
6 health care insurance coverage hovered in the seventy percent  
7 range; and  
8

9 WHEREAS, after enactment of the Hawaii Prepaid Health Care  
10 Act, the percentage of residents in Hawaii maintaining health  
11 care insurance coverage increased to the ninety percent range  
12 and has remained in that range ever since, positively impacting  
13 the health and well-being of all the residents of Hawaii; and  
14

15 WHEREAS, attempts have been made over the past two decades  
16 to make universal health care a reality for all residents of the  
17 United States; and  
18

19 WHEREAS, the most significant federal regulatory overhaul  
20 and expansion of medical care coverage since the establishment  
21 of Medicare and Medicaid in 1965 occurred in 2010 with the  
22 passage of the Patient Protection and Affordable Care Act, which  
23 mandates that every citizen of the United States maintain health  
24 care insurance coverage through various means, including  
25 employer health care insurance plans, or face an income tax  
26 surcharge; and  
27

28 WHEREAS, while passage of the Patient Protection and  
29 Affordable Care Act made insurance available to between  
30 32,000,000 and 50,000,000 more Americans, or 95 percent of the  
31 legal resident population, and brought the United States closer  
32 to achieving a system of universal health care, a significant  
33 number of individuals in the United States remain uninsured; and  
34

35 WHEREAS, H.R. No. 676 has been introduced in the 115<sup>th</sup>  
36 Congress of the United States and establishes the Medicare for  
37 All Program to provide all individuals residing in the United  
38 States and territories of the United States with free health  
39 care that includes all medically necessary care, such as primary  
40 care and prevention, dietary and nutritional therapies,

1 prescription drugs, emergency care, long-term care, mental  
2 health services, dental services, and vision care; and  
3

4 WHEREAS, the Legislature of the State of Hawaii continues  
5 to believe that the availability of health care for all is a  
6 human right, that the United States should strive to achieve a  
7 system of universal health care that includes all residents of  
8 this country, and that H.R. No. 676, introduced in the United  
9 States Congress, deserves full consideration and passage; now,  
10 therefore,  
11

12 BE IT RESOLVED by the House of Representatives of the  
13 Twenty-ninth Legislature of the State of Hawaii, Regular Session  
14 of 2018, that the Congress of the United States is urged to  
15 enact legislation such as H.R. No. 676 that provides universal  
16 health care to all; and  
17

18 BE IT FURTHER RESOLVED that certified copies of this  
19 Resolution be transmitted to the President Pro Tempore of the  
20 United States Senate, Speaker of the United States House of  
21 Representatives, and members of Hawaii's Congressional  
22 delegation.
